

The Campbell Athletics Booster Club is seeking support to help raise funds for new stadium bleachers at Campbell High School's Stadium Field for CHS Football, CHS Lacrosse, CHS Soccer and other CHS community events. The goal of the Boosters is to raise \$40,000 to cover the cost of the bleachers and installation

The Campbell Athletic Booster Club was established to promote the athletic programs, increase community interest, recognize the endeavors and achievements of student athletes and assist the school's administration and athletic departments. The focus has always been on providing fun community based events. Our hope is new bleachers will provide opportunities for more CHS community events and further the success of the athletic programs.

The Campbell Athletic Booster Club is seeking support from our CHS community. We hope we can count on you to help the Campbell High School Athletic Booster Club reach their goal. Any amount will help. Please consider becoming a Cougar Sponsor.

Thank you in advance for your continued support! Cougar Country Pride!!
