### *Commanders Report*

Greetings Compatriots,

I hope that everyone is healthy and safe. I want to share what I have been up to since we last met, in July the Mech Cav met in Kaufman at the marker there and we helped get people to sign the petition to save the monument at the courthouse. Then we went a few blocks over and placed battle flags on the Confederates buried there. Also, in July I went to Greenville to speak with the Audie Murphy/American Cotton Museum Committee that is considering removing the Confederate monument there. Kyle Sims and I attended the 3<sup>rd</sup> and 7<sup>th</sup> Brigades joint meeting on July 26<sup>th</sup> in Cleburne. Right now, there are very few events occurring in Texas, and everything seems focused on Heritage Defense. We have seen other groups standing with the SCV in Weatherford, Cleburne, Temple. Our heritage has not been under so many attacks since 1865. I understand that on August 8<sup>th</sup> there is another planned BLM rally in Weatherford, and we need as many there as possible to repel the continued assault.

Thank you to Kyle Sims and Jim Anderson for representing the Gano Camp at the National Reunion in Florida last month. I also want to remind those that have not renewed that our Annual Dues are due before August 31<sup>st</sup>.

I was sorry to report that last month's camp meeting had to be cancelled due to the Governor Abbotts Executive Order to scale back restaurant occupancy and group sizes. That being said, I hope to see everyone at Chill on the August 18<sup>th</sup> as we will be presenting the Division and national awards.

Deo Vindice

Confederately yours,  
Commander Craig (Hoss) Stone

## *1st Lt Commanders Report*

Dear Members and Friends,

My apologies for not having a report last month, so I will try and make up for it this month.

As many of you know our camp officers have been overwhelmed this whole summer in trying to put a Division convention together. We are finally going to have one August 15th and will leave with a more equitable constitution that we can be proud of.

I did attend our Nat'l Reunion with Jim Anderson in St. Augustine, Florida in July and all of candidates running for office in the elections ran unopposed so they were elected by acclamation.

J.C.. Hanna from Louisiana was elected ATM Commander and Robert Edwards from Arkansas was elected ATM Councilman.

Since last month we have had a change in the Division leadership as well. Larry Joe Reynolds resigned his position as 2nd. Lt. Commander and was replaced by Michael Hurley. We wish both of these men the very best.

During the Nat'l Reunion Past CIC Chris Sullivan addressed the Leadership on the floor of the convention and asked very enlightening questions about the costs of the museum. It appears it may have gone a little over budget.

Our Chaplain Jack Bowen has talked to me about possibly setting up a recruiting table at the N. Richland Hills Gun Show and the promoters want us there. Maybe we can get a table with some more camps and share the costs. I want to thank Jack for his efforts and we will hopefully pursue this at their next gun show.

I believe the time to recruit is right now during all of this rioting and removal of everything confederate, the public is tired of it. We will keep you posted.

Deo Vindice

Respectfully,

Kyle Sims

## *Chaplin's Corner* - SEED STORE

Many years ago, I remembered reading a story from the book Parables by Megan McKenna. She tells the story of a woman who wanted peace in the world and peace in her heart and all sorts of good things. The world around her seemed to be falling apart. There are wars, hatred, bitterness, resentment, name calling, one disaster after another, and it seemed as if people could not get along with each other. Just reading the newspaper or listening to news on TV depressed her.

One day she decided to go shopping at the mall and randomly entered one of the stores. She walked in and was surprised to see Jesus standing behind the counter. She knew it was Jesus because He looked just like the pictures she had seen of Him painted by artists.

She finally got up the nerve and asked, "Excuse me, but are you Jesus?"

"I am!"

"Do you work here?"

"No," Jesus said, "I own the store."

"Oh, what do you sell?"

"Just about anything!"

"Anything?"

"Yes, anything! What do you want?"

"I don't know," she replied.

"Well," Jesus said, "feel free to walk up and down the aisles, make a list of the things you want, and then come back and bring me your list."

So, she walked up and down the aisles. She saw displayed peace on earth, no more war, no hunger or poverty, peace in families, no more drugs, harmony, clean air, careful use of resources, and many other wonderful things. She wrote furiously and by the time she got back to the counter she had a long list.

Jesus took the list, skimmed through it, looked up at her and smiled. "No problem." He said. He then bent down behind the counter and picked out the things she requested, stood up, and laid out some packets.

When she asked what these were, Jesus replied. "Seed packets. This is a catalog store."

"You mean I don't get the finished product?"

"No, this is a place of dreams. You come here to see what you need looks like, and I give you the seeds, so you can plant them.

Then you nurture the seeds and help them to grow. Later, someone else reaps the harvest of what you have sown."

"Oh!" she said, disappointed. Then she left the store without buying anything.

This "parable" describes the way we sometimes pray. All the resources in heaven's storehouse are available to us. God, the Son, said so. God, the Father, guarantees it. We however, want our blessings to come as finished products. And we want the immediately-if not sooner!

We ask God for: a loving family, a specific neighbor, co-worker, healing relationships, those that are experiencing grief and loneliness, physical healing, and prayers for our SCV camp and SCV, and many other positive and wonderful things. He gives us seeds to plant that will bring these things to pass. Not being willing to plant the seeds that will make possible that for which we pray, we walk away unblessed, wondering why God didn't answer our prayer.

God hears every prayer, but He answers in accordance with his will. Sometimes He says "Yes," sometimes He says "No," and sometimes He says, "Not Now!" When God doesn't answer our prayer in the WAY we request, and, on the SCHEDULE, we assign to Him, we think He hasn't answered at all. Our problem is that we simply aren't willing to participate with Him in making that for which we pray become a reality.

Our battle as Sons of Confederate Veterans did not end at Appomattox. Our ancestors prayed for victory, and our God, in His wisdom, let the muskets and cannon fire of battle cease. We as Sons and Daughters of the South continue to vindicate the Cause for which they fought with God's blessings and guidance. "Not my will, but Thy will be done."

Prayer is more than asking God to run errands for us; it is, in its finest sense, our reporting for duty. If we fail to understand that, our prayers become like the one prayed by an elderly deacon who bowed his head, closed his eyes and said, "Use me, Lord, in the work of Your Kingdom-but only in an advisory capacity."

Deo Vindice,

Jack Bowen, Chaplain

## *Brigade News* - Weatherford Monument Fight

Precinct 1 Commissioner George Conley made the motion to keep the statue in its place.

“That statue honors the dead, it doesn’t honor the Confederacy,” Conley said. “I’m going to make a motion that we leave the monument where it has been for over 100 years and get on with whatever happens after that.” The motion was seconded by Precinct 3 Commissioner Larry Walden and then unanimously approved!

“It represents our history, it represents those that have died in war on both sides,” County Judge Pat Deen said. “It represents a time in our history that no longer exists today, thankfully. If we look at what the constituents want here, I can speak for myself, that there’s been an overwhelming number to not remove that statue.”

Large protests for and against the removal of the statue took place on July 25th but all the locals love it where it is at.

## *National News - New Mexico Destruction*

DESTRUCTION OF THE ONLY CONFEDERATE MEMORIAL CEMETERY IN NEW MEXICO It is with heavy heart that I must report that the New Mexico Confederate Memorial Cemetery in Socorro has been vandalized. The following is noted. In mid-June I inspected the monuments, cleaned each one. There was no damage. On 17 July I arrived to find that all three of the main monuments were heavily damaged. The Valverde and Glorieta monuments are completely destroyed. The main monument has, I believe been shot by numerous bullet strikes. A police report and photos of the damage were filed with the Socorro Police Department, on 17 July 2020. A report as to the cost of replacements is forthcoming from the monument company that worked on each stone. The police contact is Lt. Louie Chavez: [lchavez@asocorronm.gov](mailto:lchavez@asocorronm.gov) The estimated cost to replace these monuments and to move a more secure location is in the thousands of dollars. We had no additional funds to purchase insurance for vandalism and no monies to secure a security fence or purchase new land. Therefore, all future projects of this type are ceased by this commander. A future division commander may elect to provide funds and staff to devote resources for these types of endeavors, but for now it is neither possible nor practicable due to the current environment in the United States. I wish to thank all of you who spent time, monies, ideas and love on the building of what was an historical dream. Our goal was to show the history of the Confederate Army of New Mexico and its great battles that took place in this area of conflict with the War Between the States.

*A Update From The Virginia Flaggers* - **NEW FLAG POLES UP!**

**The Virginia Flaggers are pleased to announce that they had a dedication/flag raising ceremony for our newest flag site this past Saturday the 15th.**

Our 32nd flag site in the Commonwealth is a very special one. The landowners of this site lost a young son in a motorcycle accident just days before leaving to serve in Iraq in the United States Marines. This flag site will be dedicated to the memory and honor of all Confederate soldiers, but also to Lance Corporal Cameron Clark's memory, and the memory of his Confederate ancestors he so bravely represented.

We are working on several new projects and will have more exciting news to share soon. Please watch for more emails over the next few days.

While it may seem that we are losing ground at every turn, and while we are in the midst of evil such as we have never witnessed in our lifetime, remember that our God is on His throne. While the heathen rage and celebrate, we will keep our eyes on our Father in heaven and continue the fight our ancestors began in 1776 and continued in 1861.

*“Let us, then, not despond, my countrymen, but, relying on God, meet the foe with fresh defiance, and with unconquered and unconquerable hearts.”* President Jefferson Davis

God bless and keep you all, and God save the South!

## Resolution in Support of the Supreme Court TX Monuments

The SLRC staff just returned from the Sons of Confederate Veterans Reunion in St Augustine, FL 14-18 JUL. We saw a great many old friends, talked about our Supreme Court case and got the following resolution passed unanimously by the Reunion delegates:

In the Summer of 2015 the United States Supreme Court created the artificial & unconstitutional doctrine of "Government Speech" in Texas Division SCV v Walker denying the SCV its specialty car tag with a Confederate Battle Flag.

In that case Justice Clarence Thomas played the race card and sided with the liberal majority. That decision empowered local town tyrants to override the right of the people to freedom of speech through display of public art and began the onslaught of monument takedowns across Dixie and the nation.

Free speech lawsuits filed to resist this monument atrocity in state & federal court have been routinely dismissed citing the plaintiff's lack of standing to sue the courts claiming they have suffered no particular injury different from the general public. Citizen taxpayer, heritage groups and their members have routinely had their lawsuits dismissed for not having a recognizable right to defend sacred monuments in court.

In 2017 the Texas Division SCV filed lawsuits against the University of Texas and the City of San Antonio for their removal of monuments in the middle of the night. UT removed Gov Hogg, General AS Johnston, John H Reagan & Gen. Robert E Lee and San Antonio removed the 1899 Travis Park Confederate Monument and 2 WBTS cannon owned by the SCV.

Both cases were dismissed due to standing grounds, consolidated, appealed to the 5th Circuit United States Court of Appeals in New Orleans and both dismissed again.

In May the Texas Division filed a Petition for Writ of Certiorari to the Supreme Court of the United States asking the Highest Court in the land to rule that under current law the SCV has pled sufficient grounds to have standing to sue, but that the court should also BROADEN standing requirements so that Taxpayers, heritage groups and their members will have recognized standing to bring monument lawsuits in defense of the public art & monuments of the people.

With standing recognized the SCV can then challenge the evil, pernicious & flawed Government Speech Doctrine that has fostered the destruction of so many American monuments. IN ruling in 2019 in the American Legion Bladensburg, MD CROSS case, the court has indicated that it is sympathetic to monument protection. It is also possible that the court may act as a result of the Presidents recent executive order!

Therefore this convention of the Sons of Confederate Veterans resolve:

That we will encourage discussion of this case and its underlying issues in our local & social media, including promoting op-eds and guest editorials on this issue and sharing same with our friends, families, communities and elected officials.

That we will do all in our power to open up a national discourse on this most important issue.

And that we will pray to our heavenly Father, that the court, in its wisdom take & up and rightly decide this most important case.

Passed unanimously & Resolved this 18th day of JULY 2020 in Convention St Augustine, Florida

## *2nd Lt Commanders Report From the 2021 Division Convention*

Compatriots of the Texas Division

I have the honor to submit the following report for the office of 2nd Lt Commander of the Texas Division responsible for Recruiting, Retention, and Camp Development. RECRUITING - I wanted to update you on the recruiting opportunities the Texas Division has experienced in my first 6 weeks as your 2nd Lt Commander. The Division has had 86 men who have downloaded an application for membership, or requested information on joining our ranks from our Texas Division, or National SCV websites. These recruits were contacted and the information was distributed to the appropriate Camp Commanders or Brigade Commanders for contact and continued assistance. In addition I am holding a meeting with 8 potential new recruits to Charter/re-establish a camp on August 22 in Groveton, TX . RETENTION - As you all know we are in the final weeks of pushing to get all of our annual dues in by the 1st of September. I have been calling and emailing key Camp and Brigade Commanders in an effort to have them reach out to members who have not yet paid their dues. It is vital that we not only recruit new members but that we retain our current membership. I am confident that the leadership of the various Camps will answer the call to retain 100% of our current membership at this crucial time when all that we hold dear is under assault. CAMP DEVELOPMENT - To build on the momentum we are currently experiencing, I am personally trying to get in front of as many camps as possible by attending meetings and speaking when necessary. I have already spoken to or agreed to speak to Camps in Decatur, TX; Waco, TX; Katy, TX; Temple, TX; and Anderson, TX. If you NEED A CAMP SPEAKER? CALL or EMAIL ME: I am available to speak at your camp meetings, I just need dates and times that work for my schedule. I have much to share with you and to encourage your camps, please put me to work! Cell #361-212-3522 or Email: whurley64@me.com. Fighting For Our Monuments: In addition to my primary areas of responsibility, I have been in front of various County Commissioners Courts, Museum and School Boards representing the Texas Division fighting to keep our monuments in place. These opportunities have taken me to meetings in Tyler, TX; Greenville, TX; Kaufman, TX; Longview, TX; and Victoria, TX (Virtual Meeting on Zoom). I remain firm in the belief that our Division is poised to make major strides in growth if we will marshal our resources as a State and Division, and work together to take advantage of the great history and heritage of the Lone Star State.

Your Obedient Servant,

W. Michael Hurley,

2nd Lt. Commander,

Texas Division

## *3rd Lt Commanders Report From the 2021 Division Convention*

Gentlemen of the Texas Division,  
Below is what has been happening with communications on the tech side of the Division.

### **Website:**

I have been working with Michael Climo continuing to add photos and text to the Division members page on the Division website as I receive them. Although this has slowed a little, my guess is because of less events due to Covid.

We also have been updating the camp and division officer info as I am made aware of changes.

We had a issue recently with the enemy using last names of members off the website to then find the member on Facebook and then leave hate filled comments or messages about them and trying to out them as racists at their place of employment. In response we have removed ALL last names from the website.

We removed the search function on the website which was bringing up results with members full names from any text or documents that had ever been uploaded to Michaels account on Go Daddy's server.

At the request of the Lt Commander Craig we also removed camp meeting locations to prevent protests at camp meetings.

We substituted the 3rd Lt Commanders email as the contact for meeting locations.

I had Michael Climo delete the no longer needed 2020 division and national reunion page links on the website. I had him add a link to the new 2021 National Reunion website.

I am still updating the camp guest speaker list on the website as more get submitted. I did have Michael remove the last names from this page as well.

### **Email:**

I have continued adding new members and updating old members in the Division email Constant Contact system. This is a ongoing job that will never stop.

Our email system has a total of 4065 subscribed email addresses that include active members, inactive members and non members. This is down by 100 from my last report.

We have 2613 subscribed email addresses in our active members only email list. This is down 62 from unsubscriptions.

Everyone other than members that have joined in the last two months should be receiving Division emails unless you didn't provide a email address or you unsubscribed. If you are not receiving Division emails and you would like to please let me know.

### **Social Media:**

All of our social media accounts have grown. Our Facebook page has grown to 17,304 followers. This is over 1000 followers since last report.

Our Twitter account now has 1095 followers, up almost 50 new followers since last report.

Our MeWe account now has 23 contacts and our YouTube channel has 17 subscribers now.

Lastly I am working on getting the Texas Division a Parlor account. If you have never heard of Parlor it is a new social media platform that is pro conservative and refuses to limit posts or ban users. So no jail or fact checks. Many are moving from Twitter and Facebook to this new platform.

Confederately,

Frank Krawiec  
3rd Lt Commander

**What is the Sons of Confederate Veterans?**

The citizen-soldiers who fought for the Confederacy personified the best qualities of America. ## CHARGE TO THE SONS OF CONFEDERATE VETERANS

**"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish."**

*Lt. General Stephen Dill Lee Commander-General United Confederate Veterans New Orleans, Louisiana 1906*

**Remember, it is our duty to see that the true history of the South is preserved and presented to future generations.**

**Until we meet again, let us remember our obligations to our forefathers, who gave us the undeniable birthright of our Southern Heritage and the vision, desire and courage to see it perpetuated.**
