Commanders Report

Hello Compatriots!

As was discussed at our March and April meetings, we are moving the Camp Flag to Kaufman. The first meeting we are having will be at my house located at 7140 Rose Hill Drive, Terrell, Texas 75160 (I live between Terrell and Kaufman). It will be Tuesday, May 21st, at 7pm. Come early for a hamburger dinner. Beer and other spirits will be provided. If you cannot find it, give me a call, 214-676-3200. It will be an informal meeting to discuss where we will go from here.

I understand not everyone will be able to make to “follow the flag” down south of IH-20. I understand, too, if you need to join a camp that is more geographically convenient to your location. No matter what, remember our involvement is about honoring our Confederate ancestors, and defending the reasons why they fought a tyrannical federal government. It is my hope all of us can still do this in whatever way we best suit our situation. I hope we will see each other at other SCV events!

National News - SCV Officer Change Notification

All, its division reunion time of year. Elections are held, and new officers put in place. Over the past few years there have been communication issues with HQ being properly notified of Army, Division, and Camp level structure. Its imperative HQ be properly notified of any officer changes. This is for security purposes, and granting of access to camp data. Its also important for specific officer related merchandise sold from the gift shop. We can't and won't sell commander or adjutant medal to a person who is not properly listed in the database as such an officer. The same goes for commission certificates for elected officers. Going forward, any order for an officer's medal or commission certificate with out being listed in the database as said officer will be returned. Any request for rosters or member information will not be given out unless the person calling is listed as an authorized adjutant or commander.

In today's world of imposters, an email, or a phone call is not enough. To be properly recognized as a camp, division. Or army officer, please fill out the SCV Officer Change form. It needs to be properly signed, then send it to membership@scv.org. The other form that can be submitted is the Annual Camp Reporting Form. Links to the forms is here: <https://scv.org/forms-and-documents/>. Without this being done, officers will not be allowed into the database community, and will not be given rosters or other member data.

It's also imperative your division knows who the camp officers are. Camp adjutants need to also send the forms to their division adjutants.

Thanks for your understanding, your cooperation, and your compliance.

National News - 21st Century Confederate Heroes

Good People of the Southland,

We have a new program in which you can participate. As we know, none of us are more Confederate than those brave men and women who survived a brutal conflict in their own backyards. We also know the word hero is often overused and misused. The Sons of Confederate Veterans has been hindered over the last few years because we have been working diligently to pay off the National Confederate Museum debt early so we can get busy doing the task passed to us through “The Charge” and the activities the members of this great organization wish to be accomplished.

The name of this program is 21st Century Confederate Heroes. It provides unique opportunities for people to contribute. Below is a link to a video on Rumble in which the Lt. Commander-in-Chief Walter D. Kennedy and Chief-of-Heritage Operations James R. Kennedy explain their brainchild. This program is in its infancy and just a little bit from being fully implemented. Take a few minutes and review this video and be prepared to join the 21st Century Confederate Heroes.

SLRC UPDATE - BACK FROM TEXAS and ARLINGTON MEDIATION!

Southern Legal Resource Center

From Chief Trial Counsel Kirk D. Lyons

I brought the Arlington message to the Decatur, Texas Celtic Festival last weekend, where I acted as Master of Ceremonies over a formal Highland Dinner last Friday Night - the Festival was well-attended on Saturday and I was able to pass out several hundred Arlington brochures to patrons and vendors alike, including several SCV Camps, the DAR and the OCR - The Festival graciously covered my travel, lodging and out of pocket expenses!

This Friday Afternoon was spent working on a draft of the Appellant's Brief with our attorney researcher and participate in a Zoom face to face mediation with Attorney's for the Army and the Secretary of Defense, and the Sons of Confederate Veterans. The SCV elected to participate, so Defend Arlington felt that we should also participate. The mediation was guided by the mediator for the DC Circuit Court of Appeals. There were some potentially positive developments. Talks are in confidence, so I can't share details, and we will meet again next Friday - if anything develops we will let our support base know ASAP!

This is a combined arms fight – and if we are to win everyone has a part to play!!

We, the lawyers, will do our job, BUT you, our loyal supporters need to do yours!!!!

So please tell your congress-critter to support RESTORATION of the Reconciliation Memorial in Arlington by amending the upcoming National Defense Authorization Act of 2024 to include restoring the removed Reconciliation Memorial to Arlington National Cemetery.

Go to DEFENDARLINGTON.ORG AND call the Capitol Switchboard 202-224-3121 to contact your congressman & senators!

Now, more than ever we must fight the ongoing tyranny and win at Arlington! HELP US NOW

What is the Sons of Confederate Veterans?
 The citizen-soldiers who fought for the Confederacy personified the best qualities of America. Today, the Sons of Confederate Veterans is preserving the history and legacy of these heroes, so future generations can understand the motives that animated the Southern Cause.

The SCV is the direct heir of the United Confederate Veterans, and the oldest hereditary organization for male descendants of Confederate soldiers. CHARGE TO THE SONS OF CONFEDERATE VETERANS

“To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish.”

Lt. General Stephen Dill Lee Commander-General United Confederate Veterans New Orleans, Louisiana 1906

Remember, it is our duty to see that the true history of the South is preserved and presented to future generations.

Until we meet again, let us remember our obligations to our forefathers, who gave us the undeniable birthright of our Southern Heritage and the vision, desire and courage to see it perpetuated.
