Commanders Report

Hello Compatriots! I hope you are enjoying this cool weather. It’s about time!

Our monthly meeting will be at Chill’s in Grapevine on Tuesday, October 17th. If you want to eat then arrive around 6pm. The meeting will start at 7pm. Richard McCook, Commander of the COL. Taylor Camp in Bedford, will be our speaker for this meeting. It should be entertaining. I hope all of you can make it!

Talk about meetings, I would like to propose that for our November meeting that we combine into a “two for one” deal. I was thinking that after the November 11th Grapevine’s Veteran Day’s parade that we could all go to lunch and have a discussion there. The reason I am thinking this is because our normal meeting time of the third Tuesday of the month would fall into the same week as Thanksgiving. Since we would already be in Grapevine, and we usually have a good showing for the parade, that we could have an informal meeting to discuss any camp business. We can talk more and vote on it on Tuesday.

Talk about the Grapevine Veteran’s Day Parade, Allen has got a slot! I really hope we can have as much of our members as possible show up to show our pride in our ancestors, and that they are not forgotten. Festus Allcock and the Fort Worth Robert E. Lee Camp has asked their members to join us as they normally do. We have participants that either walk the route or ride in a flat bed trailer. Please show up, wearing either a uniform or something with “Confederate pride” on it. The parade is on November 11th, and starts at 10am. So, plan on being there at least at 9am. More than likely we will meet on W. Hudgins Street near the Grapevine CVB building as we always do. We will talk more details at this coming meeting.

Please keep Compatriot Jack Bowen and his lovely wife in your thoughts and prayers as he recovers from surgery and can hopefully join us soon! I hope to see everyone next Tuesday the 19th!

For God, Texas, and the South,
Sean Partee
Gano Camp 2292 Commander

State News - General Announcements

Compatriots,

The Texas Division Executive Council met this past Saturday, September 29, 2023, in Waco, TX.

The most crucial item of the day was the report of the Texas Division Adjutant. The Texas Division is down 874 Compatriots, who have failed to pay their annual dues.

National HQ has reported a glitch in the billing data sent down from the National headquarters to the Division. We have yet to discover precisely the glitch that caused the problem. I am also aware that two other Divisions within the Sons of Confederate Veterans have also had the same issues. Still, it shows severe problems with the total loss of Texas Division members.

Several members have yet to receive a bill. I have heard that some National Life and Texas Division Life members received bills when they should not have.

I am asking ALL Camp Commanders and Adjutants to contact your members who have yet to renew their dues with your Camp, and please make sure they have received a bill.

I am also asking our Brigade Commanders to contact each Camp Adjutant in their area of responsibility to ensure this issue is quickly addressed.

Note: The National and the Texas Division waived the \$5.00 late fee due after August 31 for September due to the glitch. Additionally the Texas Division is waiving the late fee through December of this year to get these Compatriots back on the roll of the Texas Division Sons of Confederate Veterans. I am also requesting the SCV headquarters to have the \$5.00 fee waived through the end of December 2023.

Respectfully,
W. Michael Hurley

National News - Continuing Fight Over Reconciliation Monument

My fellow Southerners and like-minded individuals:

The NDAA for 2024 passed the House with the necessary amendments that protect our Nation's history. I want to thank everyone who contacted their politicians either by phone, mail or the one-click politics link. Your actions made an impact and a difference. Well done.

Now we ask you to step up again and contact the members of the Senate, because it is now time for that body to pass this critical piece of legislation. Below is the link for one-click politics that will be sent to certain Senators—not all Senators, and not all Republican Senators. It is only going to Republican Senators in Southern states; so, it is possible that your "To Senator" field could be empty. If the "To Senator" field is empty, then the link and email will be unusable for you.

<https://oneclickpolitics.global.ssl.fastly.net/promo/5XP>

I ask that you please follow the link and send the prepared email. All it takes is a few clicks and a minute of your time. We appreciate you and everything you have done in this important fight.

National News Cont. - National Confederate Museum at Elm Springs

October is a great time to visit the Southern Heritage Center (the National Confederate Museum and historic Elm Springs) in Columbia, Tennessee!

The museum and Elm Springs are open for tours Monday through Friday from 9am to 4pm. The museum is open one Saturday a month, too. The next open Saturday is October 7th from 9am to 2pm.

The open Saturday in November is Veteran's Day (the 11). On this day, all US Veterans will receive free admission to the museum.

Several new items are on display at the National Confederate Museum.

One of the most unique items (pictured above) is an original casting of the President Jefferson Davis death mask. This item is on loan to our museum from Beauvoir in Biloxi, Mississippi.

Fall is always a great time to visit Elm Springs. Beginning October 2, Elm Springs will be decorated in mourning. Come and hear about the mourning customs of the Antebellum South. You might just hear a couple of ghost stories, too!

SLRC UPDATE - ON TO THE SENATE - WHAT YOU CAN DO!

Southern Legal Resource Center

Last week the House passed the 2024 Defense Appropriation Bill which includes an amendment that would deny funding for the removal or demolition of the Confederate "Reconciliation" Memorial in Arlington National Cemetery. Now the bill goes to the Senate, where the bill with the same amendment would have to pass to become law.

So now it's time to contact your Republican Senators via the widgets:

Defend Arlington widget: [DEFEND ARLINGTON.ORG](https://www.defendarlington.org) SCV's

SCV's widget: <https://oneclickpolitics.global.ssl.fastly.net/promo/5XP>

Feel free to personally tailor the widget messages as it tells Senate staffers the messages are not computer generated

Once you've done your widget duty - then get family, friends, co-workers, pets to do their widget duty - good, well done, but now call your Republican Senator
Capitol Switchboard 202-224-3121.

We face a harder fight in the Senate - the Dems are the majority, and there are enough woke republicans to make life hard for the Memorial.

Fortunately time may be on our side - the Govt runs out of funding in 40+ days - the Dems may allow our amendment to pass through without serious complaint, the closer to a funding crisis we get.

Talking points when you call your Republican senator:

1. Supporting the Reconciliation Memorial upholds the Rule of Law upon which our nation was founded.
2. The memorial is not part of the Statutory mandate because it is a grave marker - graves were specifically excluded from the Naming Commission's purview. Secretary Austin's decision to remove is illegal and his action exceeds the statutory mandate of congress
3. The Memorial is a "contributing element" to the Historic District of Arlington as it is part of the "Monument Corridor" that stretches from the Lincoln Memorial to Arlington House.
4. It is an irreplaceable art treasure that belongs to WE THE PEOPLE - and Arlington is sacred!
5. Why is the Army wasting money on this when our soldiers are going without adequate food and housing?
6. Taking down the artistic masterpiece of Moses Ezekiel, the first international acclaimed Jewish-American sculptor smacks of anti-Semitism.
7. The Defense Appropriation Bill must pass - arguing over amendments jeopardizes that. Pass it as is.
8. Ask them to read former Virginia Senator (and former Navy Secretary) James Webb's excellent op-ed in the Wall Street Journal "Save the Confederate Memorial in Arlington" <https://www.wsj.com/articles/save-the-confederate-memorial-at-arlington-art-history-preservation-civil-war-64464979> then share this widely!

Opinion | Save the Confederate Memorial at Arlington

A commission will tear down this monument to national healing by year's end if we don't act.

CHARGE TO THE SONS OF CONFEDERATE VETERANS

“To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish.”

Lt. General Stephen Dill Lee Commander-General United Confederate Veterans New Orleans, Louisiana 1906

Remember, it is our duty to see that the true history of the South is preserved and presented to future generations.

Until we meet again, let us remember our obligations to our forefathers, who gave us the undeniable birthright of our Southern Heritage and the vision, desire and courage to see it perpetuated.
