

A Better Way Co-Op

Warren County has some of the highest rates of poverty, disability, low income and older residents in Indiana. The need for assistance is high and the economic resources are limited. A Better Way Co-Op connects its limited resources of volunteer time and donor financial support to the identified real needs of its residents in the most **effective**, **efficient** and **"user-friendly"** manner.

Programs Include

- **A Better Way Food Co-Op** for nutrition and health
- **All About Kids Programs**
 - **Coats for Kids** - cold weather clothing assistance program
 - **Bundles of Blessings** - free diaper program for new mothers
 - **Too Small to Fail** - kids books and early reading skills program
- **Seed Sowers of Warren County** - for emergency financial assistance
- **Financial Counseling & Budget Planning** education for long-term financial security

'For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me.' Matthew 25:35-37
