

The Food & Nutrition Assistance Program is designed to help families that find themselves unable to purchase the basic needs for food and better nutrition. In exchange for service work hours or attendance of an educational class, members have the opportunity to shop the grocery store type setting two times each month. This also allows members the opportunity to build relationships, be part of a support system, develop consumer skills and to learn and encourage healthy lifestyles.

"Coats for Kids" is a collection drive of gently worn or new coats and jackets to help kids in need stay warm throughout the winter season. The Better Way Co-Op's "Coats for Kids" program is designed to address this need for Warren County families and their kids by providing FREE coats to anyone that needs one. Additional cold-weather clothing such as sweaters, pants, and/or shoes may also be available. Let us know how we can assist.

Seed Sowers  
of Warren County

The "Seed Sowers of Warren County" is comprised of local citizens, businesses, churches and donors that are dedicated to meeting the emergency and short-term financial needs of our local residents. Direct financial assistance often includes needs such as rent, groceries/food, utilities, medical care, clothing, gas/transportation or other personal/family emergency situations for Warren County residents. Short-term financial assistance is also given consideration on a case-by-case basis.

A clean diaper means a happy baby, but did you know that 1 in 2 U.S. families struggle to provide an adequate supply of diapers to keep their babies clean and healthy? The "Bundles of Blessings" program is intended to bridge that gap for area families. It's our mission to support and encourage those in need of diapers by supplying them with the support needed. Diapers are available in bundles of 25 and limited to 1 bundle per child free of charge with each visit to the A Better Way Food Co-Op.

Almost 60 percent of children start kindergarten unprepared, lagging behind their peers in language and reading skills. The "Too Small to Fail" program provides parents and caregivers with resources to talk, read, and sing with young children to help prepare them for a successful start in school. Free books and reading material are provided as well as a place to sit together and enjoy them.

**Helping kids get ready for kindergarten and beyond!**

FINANCIAL COUNSELING  
A SERVICE BY A BETTER WAY CO-OP

When your income is limited, having a household budget is not only a good idea; it is imperative. Living on a budget might sound restricting or like too much work. However, having a workable family budget is actually quite liberating and simple. It puts you in charge of your money, rather than allowing money to control your life.

Budget counseling can teach you how to budget, how to protect your credit scores, and other key financial strategies.
