^{*}Once we receive the completed application and application fee, you will be sent an invoice via **Brightwheel** for a <u>non-refundable</u> hold fee equal to one tuition installment to secure your child's spot in a classroom. If your child attends Montessori in Motion, the hold fee will be credited against your first tuition installment payment. If your child does not attend Montessori in Motion for any reason, you will not receive a refund of the hold fee. For families enrolling after the first of the year (September-December) the hold fee will be credited against your first installment payment based on your child's start date. Students enrolling mid-year (after January 1st) will be required to be enrolled and submit a hold fee for the following school year. Tuition is charged in 10 installments. All monies received are considered tuition. We do not prorate for any school closure, holidays, winter break, etc. We charge 50% of one tuition installment for school closures lasting 30 days or more, in the event of a pandemic, disaster, etc. If you choose to withdraw your child before the end of the school year, there is a \$600 fee, and we require a 60-day written notice on the first of the month. Prices, dates, and schedules are subject to change.

^{*}A service fee of 2.9% will be charged on all payment credit card transactions, and .60 ON all ACH payments made through **Brightwheel**. Service fees are non-refundable.
