

PROJECT *dance*

During registration, you will just need to register for your “CORE” and we will insert you into the mandatory classes, you may choose the “Optional” ones to save spots in those classes.

What is **CORE** ?

It's the 2024-25 Company Program at Project Dance.

Definition of a CORE: *the central or most important part of something.*

C- commitment

O- originality

R- respect

E- excellence

A group of dancers with Passion, Dreams and Commitment.

ATTENDANCE:

For the 2024-2025 season, we are implementing a 4 MISSED policy. Dancers can only miss 4 classes in the season (per genre). If the dancer surpasses this, class time will be made up with the instructor in a private or an additional ballet or technique. This doesn't mean skip to get a private. Our hope is that dance is more of a priority especially in classes like tech, combo and ballet. If you are too sick to dance or are contagious.

Dancers accepted into our CORE program will participate in a Preview Show in February, 4 Competitions as a studio and if qualified an additional Provincial Competition in late May.

Please note: Company dancers will participate in a “Choreography weekend” before the Preview Show. Dancers will range between \$50-\$75 per dancer for the weekend. More details to come. Also Lyrical line may be subject to a “Choreography fee” for the guest teacher. We will give lots of notice prior.

***Small Group and non mandatory Line Auditions will be at a later date.**
