

The Friends of Mueller State Park (FoMSP) is a non-profit public charity that raises money to fund youth programs, park improvements and interpretive exhibits to enhance the experience of every visitor who enters the Park. FoMSP is seeking sponsors to assist with financial support towards these goals.

FoMSP has no paid staff, so at least 90% of all donations go towards supporting youth programs and park projects.

We need the assistance of businesses and individuals within our area to fund these efforts. If you are passionate about Colorado's outdoors, please consider becoming a sponsor of FoMSP.

For an annual sponsorship of \$200 your company logo will be prominently displayed in the Park Visitor Center, and on the FoMSP website.

The Park has over 200,000 visitors each year and many of those visitors will see the Visitor Center display and website. Sponsors are included on the Friends of Mueller website, [www.friendsofmuellersp.com](http://www.friendsofmuellersp.com), in newsletters (over 1000 subscribers), and are displayed on all advertisements and at all events sponsored by FoMSP. Additionally, starting in 2025 each sponsor will have a feature article about their firm placed in the FoMSP newsletter and on the FoMSP website.

Yes, we wish to support FoMSP with a sponsorship at the \$200 Annual level.
