Message from our President, Gretchen Darlington

Dear Friends,

Your support is needed. The Friends of Mueller State Park is a non-profit organization that is helping to enhance and promote Park programs by providing funds from grants and fundraising and donations. We would like to fund efforts to preserve this unique open space for our children and their children.

Right now we need a few more dedicated Friends' volunteers to help us. If you love the Park, check to see if you have two hours a month to provide us with new ideas and help direct our strategic plans. Our next meeting at the Visitor Center is

March 27th. It starts at 3 p.m. If you can't make it, email your ideas and suggestions to **FriendsOfMuellerSP@gmail.com**.

We finally have snow at the Park. I hope that you and your family have had a chance to enjoy it!

Gretchen Darlington
President
