

Job Description

Lumen Wellness & Counseling is growing fast and looking to hire a trauma informed therapist who shares our vision. Our ideal candidate will but is not limited to training or certifications in EMDR or Brain Spotting. Possibility for either a full-time position (22-25 clients/week) or part-time (12-15 clients/week). This includes a combination of in-person, therapy in the park, or telehealth sessions during the day or if desired evening hours.

Here at Lumen we offer a unique experience that encompasses emotional, physical and mental health support for members in spa-like environment. Please visit our website www.lumen-wellness.com for additional information about our Women's health focused mission and vision.

Requirements of the position including providing therapy, maintaining clinical documentation in a timely manner, attending staff meetings as necessary and assisting with basic nonclinical support to maintain the health of the business.

- Supportive Team Environment
- Referrals to fill your schedule
- An environment that supports work-life balance
- W-2 hourly position
- Competitive pay (Up to \$60/hr depending upon experience)
- All-in-one easy to use billing, scheduling and virtual counseling systems.
- Benefits package depends upon position.

Qualifications

- Graduate degree in Counseling, Social Work or Psychology
- Active, unrestricted Missouri professional license, PHD, LPC or LCSW
- At least 2 years post-licensure experience (preferred)
- Trauma focused training or experience a plus
- Driver's License and all legally required documentation

To apply, please email resume and brief description of how you can expand our mission of supporting Mental, Emotional and Physical health of our members to careers@lumen-wellness.com.
