LAKE ERIE BALLET
Company

67 YEARS
OF BALLET AT THE WARNER THEATRE

Invest in the Magic

Celebrate the People Behind It

Lake Erie Ballet Company is dedicated to creating high-quality, pre-professional productions that give dancers throughout our region meaningful opportunities to perform, collaborate, and grow. Open to dancers from all studios, LEBC brings together young artists, artistic leadership, families, volunteers, production professionals, and community partners to create memorable performances for audiences.
Your support helps make the entire production possible – from rehearsals, coaching, costumes, scenery, and technical production to the many people working onstage and behind the scenes. Together, these efforts support local dancers while strengthening the performing arts in our region.

Because every little bit counts. These unlimited donor levels are designed for individuals, families, and community supporters.

Friends of Erie's Nutcracker donors receive name recognition in the Nutcracker program for their kindness. There is no limit to the number of supporters at any level.

$200	**Nutcracker Friend** You're officially part of the Nutcracker crew- no tights, pointe shoes, or walnut chompers required!
$100	**Snowfall Supporter** You know how they usually say "make it rain!"... well, we're in the business of snow here – so feel free to let it snow!
$50	**Drosselmeyer's Gift** It's ok if you can't say Uncle's name– we forget sometimes too– but we'll NEVER forget your generosity!
$20	**Sweet Treats** A little sweetness here and there never hurt anyone... especially when you're in the Kingdom of Sweets!
$10	**Clara's Shoe Toss** Less violent than it sounds– and this is much more helpful to Erie's Nutcracker– So toss away!
