2022 ABT EXAM

# 2022 STUDENT EXAMINATION

MAY 2022

We are so glad to inform you all that this year we will once again be holding the ABT Student Examinations! The ABT Student Examinations benefit students by serving as a skill assessment to document students' progress, build their confidence, and improve their training. Each participating student receives an individual rubric outlining their proficiency both technically and artistically with comments and feedback from the Examiner.

Students who successfully pass the exam will also receive an official certificate listing the level of the examination class they took along with their level of distinction. The four levels of distinction are Pass, Pass with Merit, Pass with Honors, and Pass with High Honors. Please make sure to fill out a registration form and return it by **JAN 8th.**
