**Editors Notes:**

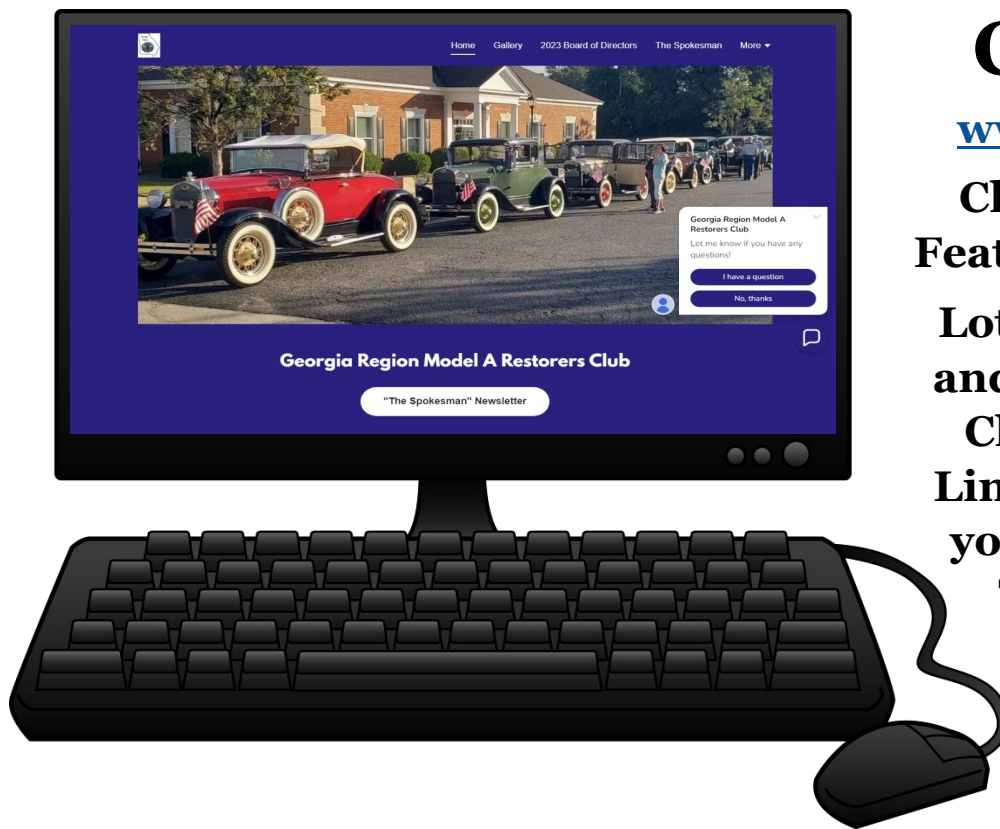

Why do we like old cars anyway? I guess everyone has a reason, here are a few I came up with...

- They bring back fond memories of simpler times.
- They are so much fun to drive.
- They are a way to be part of an exclusive community
- They reflect a person’s personality and interests.
- They are distinctive, and visually appealing.
- They appeal to lovers of engineering, design, art and history.
- Investing in an old car can be more fun than money under the mattress.

What’s your reason? Let me know when you see me again

## Director's Notes

### March 2025

I don't know about you but I am very glad that February is behind us and, hopefully, the bitter cold days. Not exactly "A" weather. I took Buford (my green Fordor) out to a church meeting one evening and when I left at 9 p.m. it was about 30 degrees and she did not like that at all! She would start then stop again and again. So, I opened the GAV about 3 turns and she was a little happier and got me home to her warm garage. Warm weather quickly come!

Did you know we have a celebrity in our club? If you read the recent January/February Model "A" News you would have possibly recognized something familiar on the cover page along with an article on page 42. Our star is John Maloney and his 1930 Speedster. Wow, what a great article and photos! I cannot help but remember John and Betty driving back from Hiwassee in the pouring rain totally soaked but with smiles on their faces. Congratulations John and Betty. Preceding this article was one on Hal Dye's 1929 Boattail Speedster which is also impressive.

Going into more pleasant weather we can look forward to participating in the Craig Elementary School Old Fashion Day on March 13, the Carter Center on March 22, the Tucker Cruise In on April 12, the Pigeon Forge trip on April 24-27 and the Dacula Memorial Day parade on May 26. So, let's all give our "A"s a good Spring lubrication and polish them up for some fun times ahead.

**Let's roll.**

1931 Mail Truck, I have installed a bench seat but still have the original seat. This is a fine Mail A Mail Truck, come with a 30's mailman's uniform, Mail bags and a Mail Truck mail box. I have driven the truck on Talladega Speedway, it runs, drives and stops with no issue. The truck does have fiberglass fenders, other than that it is pretty much original, has the security wire and curtains on the rear door.
