## Director's Notes – November 2025

I might have been a little early last month but NOW I can finally say that it is nice to get cooler weather. It sure makes driving the A more pleasant so we all need take our cars out for a Fall drive just for the fun of it.

And speaking of fun, our tour to Perry was fantastic. While the parade was cancelled and our annual "candy throw" was missed it was more than made up with attending the fair and driving locations. We were looking forward to seeing the Air Force Museum at Warner Robins AFB, the new Jimmy Carter Center in Plains and the Andersonville Prison. Our well laid plans, however, had to be put on hold until next year because our hired help in Washington does not seem to play well with each other right now. But hope springs eternal.

One event stands out in my mind. I found that the thought that there are no "barn finds" left to discover is not true. We were in Plains and decided to have a picture taken of our cars in front of Billy's Gas Station. A lifetime treasure for sure. While there we decided to drive down the street and at least see Jimmy's and Roslyn's graves which is open 24/7. So off we go. A beautiful and reflective place. While there a local gentleman came up to us asking about our cars and said that he had a Model A and asked if we would like to see it. We drove a short distance to his home and farm and up to an open shed and there, in all its glory, was a 31 hard top pickup truck in fair shape but with potential. A club member asked if the gentleman was interested in selling it and after some hard thinking he said "yes." Needless to say - a deal was struck. I give all the credit for this fortunate chain of events to Georgia's famous Billy Carter and his gas station. Thanks, Billy. Seriously the credit goes to Marilyn and Mark Corley who again when above and beyond preparing for the tour.

I look forward to seeing you all at our Annual Membership Lunch on Saturday, November 15<sup>th</sup> at the 57<sup>th</sup> Fighter Wing restaurant near Peachtree-DeKalb airport.

**Let's roll! Mark**
