## Editors Column,

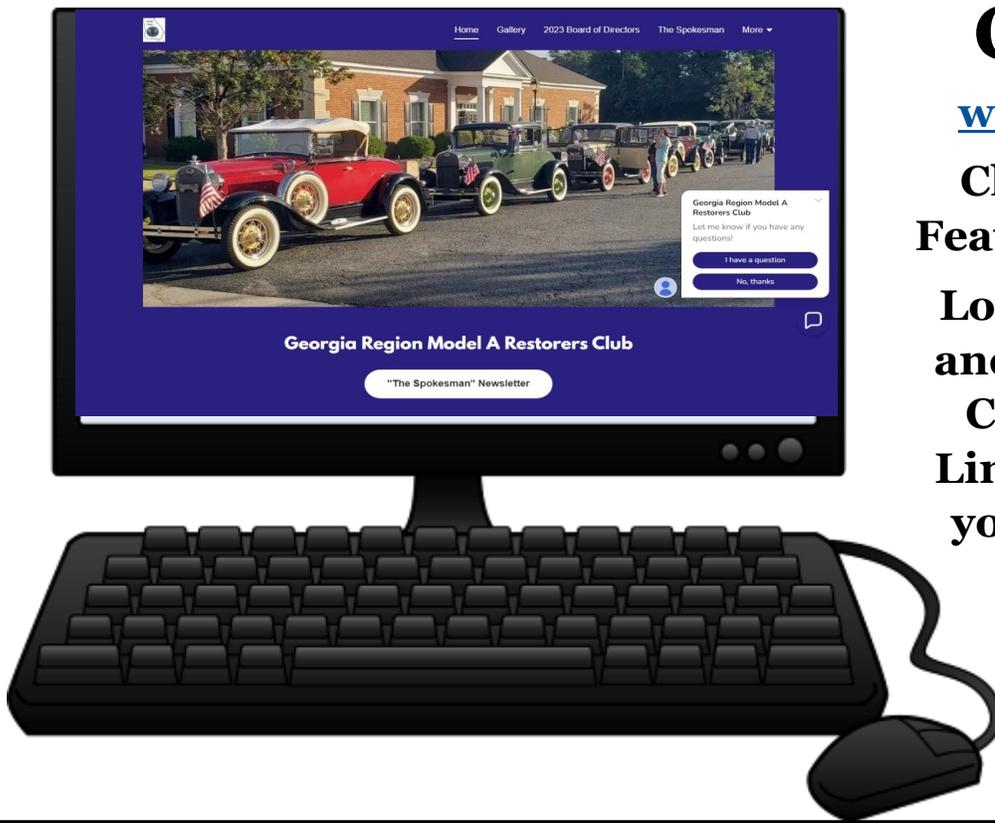

As we work on The Spokesman today, we are having the big snow storm of 2026. Thankfully we have power and plenty of heat, and got a refrigerator full of groceries. So we are in pretty good shape, hope you all are safe and warm.

The schedule of events is really getting full now, hope everyone gets to participate in some activities.

Do me a favor...send me some snow pictures so we can share them in next months newsletter.

See you on the Road...

Bentley Bohanan

## Director's Note

‘Hey Baby, It’s Cold Outside.’ For those who are really life experienced (don’t want to say old) you may remember a song by Dean Martin by that name popular in the 50s. It comes to mind every time I go out to the garage to check on my two “A” babies. It was unfortunate that the cold kept us from being with the kids at Craig Elementary but I’m sure we will have another opportunity. Soon it will be warmer outside and we get out gears and fluids going again.

We had a good crowd at Jim n Nicks for lunch and look forward to future lunch dates. The T&A Tour will be here the last week of February and the Oxford, Alabama tour on March 12-14. Also we have the MARC National meet in Indiana July 11-17. We should have a good number of members going and there is still time to register. It should be a great time.

John’s Farm Show is May 2-3 and the Antique Tractor Show May 23<sup>rd</sup>.

The Corley’s have worked hard to help us get club hats and shirts celebrating the 70<sup>th</sup> anniversary of our club so please get your order in as soon as possible.

So, start to shine up your cars, fill up the tires, check the fluids and let’s roll.

Mark Limmer

# Model T & Model A Tour

February 22-28, 2026

At long last, please find attached the tour registration form. The form can be printed, filled out and mailed in, or it can be accessed via desktop or laptop computer, filled out

electronically and emailed back. Note that there are instructions for payments by check mailed to me, or payment via PayPal or Venmo.

Several of you reached out to share with me friends who want to participate. I think I captured all those names. Please check with those folks to ensure that they received this email. As for now, tour destinations include at least 4 private vehicle collections, an auto restoration shop, a dirt track auto racing facility, and maybe a couple of winery stops and a few other treats. Areas to be visited include Nashville, Cairo, Tifton, Moultrie, and near Thomasville. As for food, we will enjoy the return of the catered seafood dinner on Tuesday night, Mr. Chicks lunch when in Cairo, and a barbecue lunch provided for u by one of our tour participants when we visit his location. Details on admission and meal costs will be provided later once specifics are all nailed down. Those funds will be collected as part of the Sunday check-in process. I look forward to seeing and meeting all of you.
