Why the Original Model A's Still Matter

Nearly a century after it first rolled off the assembly line, the Ford Model A continues to inspire admiration from collectors and enthusiasts alike. Built from 1928 through 1931, it marked a new era for Ford with improved performance, modern styling, and dependable engineering. For many of us, the appeal lies in preserving these cars as Henry Ford intended. From the distinctive radiator shell to the mechanical brakes and four cylinder engine, every component tells the story of an automobile that helped shape America. Keeping a Model A original isn't simply about authenticity—it's about honoring the craftsmanship and ingenuity of its time. Our club celebrates the history, fellowship, and knowledge that come with owning these remarkable automobiles. Whether you're restoring a long forgotten barn find, maintaining a family heirloom, or simply enjoying a Sunday drive, every original Model A on the road helps keep our automotive heritage alive. As caretakers of these historic Fords, we ensure that future generations can experience the sights, sounds, and simple pleasures of one of America's most beloved automobiles.

See you on the Road, Bentley Bohanan

Director's Notes – August, 2026

I had the opportunity to attend the MARC National Meet in French Lick, Indiana recently and it was excellent. While it was, as it was here, unbelievably HOT the people met, the educational breakouts attended, the driving tour and the hotel facility made it very COOL. My hope is that you will be able to attend a future national meet or tour.

And with that the future opportunities should provide you with some cool possibilities. The Georgia Mountain Fair is always fun and will be on August 13-16 which will include some special driving opportunities. The Georgia National Fair in Perry trip will include much more than past years because of the additional tour of the Air Force Museum at Warner Robbins AFB, a tour of Plains and a visit to Andersonville. Again this year we will have the opportunity to pick some fine apples and produce at the Apple Run on September 19th. Also, please mark your calendar for the Georgia Region annual business meeting and lunch on Saturday, November 14 which will be held at Ivy Creek Baptist Church in Buford near I-85. Lastly also make sure you attend the annual Christmas Party on December 7 with location to be announced.

Your Model "A" wants you to take it out for a drive. It gets lonely in your garage.

Let's Roll! Mark Limmer
