Editors Notes:

Climb inside
Shut the door
Check the fuel
Clutch to the floor

Turn on the switch
Hear that ole sound
Slip her in gear
And you're highway bound

Out in the country
On such a nice day
Hoogah the horn
And give 'em a wave

No better way
Of spending your day
Than tooling around
In a Ford Model A.

See you on the road...

Directors Notes: We are starting to wind down the year as far as touring opportunities, but there are still plenty of places to go in October. As you read this, we are getting ready to head to Perry for our annual visit to the fair. Even though we will not be in the parade this year, Vicki and I look forward to seeing everyone. A favorite part of the fair for us has become looking at all of the animals, the horses in particular. Standing up next to the large ones like the Morgans and the Clydesdales is an experience. They make you feel so small as if you could be their pet. I also enjoy seeing the arts and crafts, often wondering how some of the woodworking art was even made.

And then we look forward to seeing everyone up in our neck of the woods as our Apple Run to Ellijay returns this year. What is a Model A tour without some good homemade pot luck cooking?

And if those two trips were not enough, we are invited to two tours in Alabama in October. The first one will be exploring caves in northern Alabama and the second one will be touring some scenic back roads in the state. The first one will be meeting up in Oxford and the second in Gadsden. Both are less than half day drives from our area. More details on all of these tours are available on our app and website, www.garegionmarc.com

Varsity Recap

We all enjoyed Food and Fellowship at The Varsity this past Saturday evening. There were 20 club members there to enjoy the fun.

I especially enjoyed talking about some of our Model A trips in days gone by, and kicking around some ideas for future adventures. We all got to sing “Happy Birthday” to Roger Allen, and we had plenty of good Varsity food to fellowship over. One thing you can say about the Georgia Region, we love us some slaw dogs and onion rings. Special Thanks to Mark and Marilyn Corley for getting it together, and an extra Thanks to Marilyn for the excellent dessert, Pumpkin Dump Cake (Goes very good with a Frosted Orange)
