Editors Notes,

Pam and I got to thinking about one of our favorite Model A memories. Of course, by now there have been hundreds, but back when we first joined the club, we had signed up for a tour down to Saint Simons Island. We had driven our Tudor, and it had done very good on the trip down the back roads through south Georgia. After we got to the hotel, there were plans to go out to eat at a local seafood place. Pam, and I had been talking to another couple that we did not know. He had a very nice black 1929 roadster, with a rumble seat. They very graciously invited us to ride with them, and we got to climb up into the rumble seat. I guess that was the first time I had ever ridden in one. It was just a beautiful evening. The weather was perfect and the drive was very comfortable, when we got to the restaurant, it was a very nice place and we even sat outside. The food was excellent, the fellowship was fun, and we got to top it off with a ride back to the hotel in the rumble seat. That's been almost forty years ago, I am ashamed to admit I do not remember the couple's name but I do remember the car. So I'm ready to make more memories.

See you on the road...

SPOKESMAN DIRECTOR'S NOTES, October 2025

Well, I thought it was getting a little cooler last month but I could not have been more mistaken. But we were still able to pick some apples in Ellijay. I could not attend but I hope everyone had a good time. That weekend I was in Hickory Grove, Michigan at the 2 day Model A Days event at the Gilmore Auto Museum. About 100 Model A's were lined up in their glory in the grass field and allowed us to see every different year, style, color, model and option available. The highlight was touring the new addition to the National Model A museum. This about doubled the floor space and added an shop area where Model A owners can have general repairs done. The other Gilmore museums were also open with museums for Cadillacs, Lincolns, Pierce Arrows, historic racing cars, classic GM cars and three buildings with very rare antique cars in showroom condition. They also had a two-day swap meet and I found 2 parts which had my name on them and I, of course, had to bring them home.

Next week we take off for the Georgia National Fair. Mark and Marilyn have put together a great schedule and I look forward to seeing you all there. Look in your email for the recent traveling schedule. Also, put on your calendar the annual business meeting on November 15 at the 57th Fighter restaurant. The annual Christmas party will be December 13th. More information will be coming soon for both events
