Editors Notes:

I want to extend a great big thanks to everyone who attended the annual Apple Run to Ellijay. The day started out beautiful. There was not a cloud in the sky Saturday morning as we all met at the Hardees in Buford. We drove the back roads through Cumming and on to Dawsonville. We were treated to some stunning mountain views on our way to Ellijay. Saturday must have been a special day on the calendar because it seemed every small town had something going on. Even several Churches were putting on Fall Festivals. There were 31 people involved in the Apple Run this year, (32 if you count Lucy). There must have been 100's of thousands of other folks up there that day. After we all loaded our cars with apples, cakes, pies, and other treats, we enjoyed a really nice BBQ lunch at Bigun's in Talking Rock. Then more scenic drives back home through the towns of Jasper and Ball Ground. Already making plans for next year. I always like festivals in the fall anyway, and you just can't beat driving a Model A in the cooler weather. OK ... what's next? **See You on the Road...**

Directors Notes: The weather for the Perry parade could not have been any better. In fact, we laughed, we sang, we danced. Sorry, wrong story. But seriously, I really appreciate more moderate temperatures while riding in a parade. Besides, it helps keep the candy from melting. For the first time since I have been going to the fair, Vicki and I were so busy looking at the horses and watching the competition, we did not make it into the exhibition building. And I really enjoy seeing all the crafts that have been entered. I hope that everyone who went had a safe and carefree trip home as we did.

Benny and Pam organized another successful apple run. I have been missing those, especially now that I live in the area. It was my first visit to R&A Orchards and seeing what they had to offer. I'll bet that few of us have not seen Scuppernon Preserves in a while. Panorama Orchards had their great selection of goodies, as usual. And I was able to get a large box of deer apples for \$4.00. When I got home and threw out the first apples, it did not take 10 minutes for the first doe to find them.

Vicki and I are looking forward to the business meeting this month at the DeKalb-Peachtree Airport. A special part of this meeting will be honoring our veterans. We usually have a great turnout for these luncheons, so get your reservations in.

Be safe and enjoy driving your A's during this great fall weather.

Charlie Brown

Club Classifieds

1930 Model A Fordor, \$11,500 obo

Nice Driver, Still needs a little work to finish. Most of wood is good, subrail wood will eventually need to be replaced and I have the hardwood kit that goes with the car. New Tires, New Interior. Hushmatt insulation and firewall insert installed. New Rebuilt Engine with high compression head. New interior, new glass, new top, have more pictures. New Brassworks heavy duty radiator. Original 6 volt system. LED lights. I am 6'5" so I have moved front carriage back 4" ad dropped it on floor. Make easier for me to drive. People can still entered exit rear doors easily. One of front fenders not best shape. I have a fender to replace it in pretty noce shape but not had a chance to it on. Also have a better hood. It wouldn't take much for this to be a really nice car. It's pretty nice now and I drive and enjoy it. Also have lots of extra parts included.

1931 Closed Cab Pickup for sale

"This vehicle was last used commercially by a funeral home in up-state New York to haul coffins from the home to the grave site. It is now the show truck for Great American Plates, an antique license plate business in Lakeland, Florida. It has been completely restored by Bentley's Antique Auto Service in northeast Georgia. It has 185 miles on the completely rebuilt engine. Firm price is \$28,500."

THE SPOKESMAN

The Spokesman is published monthly by the Georgia Region of the Model "A" Restorers Club, and is distributed to the regions members and selected others. Non-copy righted materials contained herein may be reprinted if credited to **The Spokesman**. Views expressed herein do not necessarily reflect the views of the Georgia Region's Board of Directors or The National Model A Restorers Club.

Club Purpose

The purpose of the Model "A" Restorers Club is to encourage its members to acquire, preserve, restore, exhibit and make use of the Model "A" Ford vehicles (Models 1928-1931) and all things pertaining to the historical information, and to promote the introduction of ideas and fellowship among its members.

Monthly Activities

Monthly Region Meetings are normally held on the third weekend of each month at various locations around the Metro Atlanta area. For information about specific activities, consult the activities section of this newsletter. For membership requirements, contact any officer.
