

Sigma Beta Club Clean Up Project

Come one, come all to our annual Clean Up Litter community service project. We are working with the Burlington County Clean Communities to help keep our parks clean for visitors.]

Saturday, October 14, 2023
9:00 AM - 12:00 PM
Amico Island Park, Delran, NJ

[Directions(<https://www.google.com/maps>)

->[Litter grabbers do have the potential of running out depending on how many volunteers participate. In the event that this happens, the gloves are still approved to be used to clean up litter safely. If you prefer a litter grabber, sign-in starts at 8:45AM and we would advise you to arrive at that time to guarantee obtaining one. The park locations tend to be muddy – please wear appropriate footwear that you’re willing to get some dirt on! Most litter is in the hard to reach, muddy areas. Please review our safety recommendations before the cleanup: <http://www.co.burlington.nj.us/DocumentCenter/View/3042>
