Did you know...

That NJ is offering property tax reimbursement relief options for seniors and disabled residents? This property tax relief, aka Senior Freeze, "freezes" property taxes, preventing it from increasing even if the property's assessed value or tax rates rise. Applicants must meet all income eligibility and residency requirements and must file an application each year to receive the reimbursement. The deadline for filing 2023 applications is October 31, 2024.

Here are a couple of the eligibility requirements:

1. You were aged 65 or older on Dec. 31, 2022 or you were receiving Social Security Benefits on Dec. 31, 2022 and 2023.
2. You owned and lived in your home since 2019 or earlier.

To learn more about the eligibility requirements, visit the website at <https://nj.gov/treasury/taxation/ptr/index.shtml>
