HUMAN DEVELOPMENT (FUNCTION + BIBLICAL ALIGNMENT/MISALIGNMENT)

Stage	(What Happens)	Biblical Story	Scripture (KJV)
Infancy / Childhood (0–10)	Rapid brain development; attachment systems form; stress response system is programmed; language and emotional regulation pathways are built	Jesus growing as a child	Luke 2:52 “And Jesus increased in wisdom and stature, and in favour with God and man.”
Adolescence (10–25)	Brain is being rewired; emotional centers highly active; identity and reward systems develop; unused neural pathways are removed (pruning)	Jesus at 12 discovering identity	Luke 2:49 “And he said unto them, How is it that ye sought me? wist ye not that I must be about my Father’s business?”
Young Adulthood (18–40)	Decision-making systems mature; brain becomes more efficient; habits and lifestyle patterns become stabilized; stress systems heavily engaged by life demands	Joseph rising into purpose after adversity	Genesis 50:20 “But as for you, ye thought evil against me; but God meant it unto good...”
Middle Adulthood (40–65)	Body and brain begin gradual slowing; stress accumulation impacts health; adaptive and resilience systems determine long-term functioning	Moses leading later in life	Exodus 7:7 “And Moses was fourscore years old, and Aaron fourscore and three years old, when they spake unto Pharaoh.”
Later Adulthood (65+)	Aging processes increase; repair systems slow; inflammation and cognitive changes may rise; reflection and meaning-making systems deepen	Paul finishing his life strong	2 Timothy 4:7 “I have fought a good fight, I have finished my course, I have kept the faith.”
