

CALDWELL'S HOG HEAVEN CAMP · GARNETT, SOUTH CAROLINA

The churches of the Lowcountry are cordially invited to a

HOMECOMING

At Hog Heaven

Your first look at the Lowcountry's newest Christian Camp — a walking tour for pastors and youth leaders before the first campers ever arrive.

SATURDAY September 26 <i>10 o'clock – 2 o'clock</i>	SUNDAY September 27 <i>Noon – 4 o'clock</i>
--	--

After years of prayer and preparation, the gate at Hog Heaven is ready to swing open — and we want the shepherds to see it first. Come walk the grounds, ask your questions, and picture your students here: outdoors, unplugged, and undistracted, in a camp built to feel like 1926 on purpose.

WHAT YOU'LL SEE

The Green Pastures camping area — five fully outfitted high-end platform tents for up to 35 campers, each site with its own open-fire cooking. Hamilton's Trinity Worship Gazebo. Still Waters Lake and bass fishing. Four professional horseshoe pits. A dining pavilion built and a Barn renovation underway for more campers.

Come walk the trails of our two signature programs: the Psalm 23 Deep Dive and the Roads of Reflection. Both programs are integrated into the land itself.
