♦ The Vision

Caldwell's Hog Heaven Camp is a boutique Christian youth camp set on 175 acres of rural land, designed around a fully immersive 1920s environment — technology-free, work-rooted, and theologically deliberate.

"Hog Heaven" is an old Southern expression for deep, settled contentment — the joy of being exactly where you belong. That is precisely what this camp is built to give your young people.

"He makes me lie down in green pastures; he leads me beside the still waters..."

PSALM 23 — OUR FOUNDATION

♦ The Setting

The Green Pastures camping area features five fully outfitted platform tents, each with open-fire cooking stations and all the supplies your group needs. Capacity for up to 35 campers in Phase I.

Just bring: Your group, sleeping bags, food and beverages — and a game-winning attitude.

And by the way it's FREE to attend....there is a GOD!
