### Notes:

1. Contact me if you can't make a playoff match. We will discuss and make every attempt to get the match in, even if it means it has to be on a different night.  
In the event of a tie in Team placement at the end of the regular season, we will go back to see which team won going head to head. If that ends up in a tie, then we look at the last time they played and start w/the easiest men's handicap hole.
3. The First Place Team during the regular season gets a bye during Round #1.
4. The two losing teams from Round #2, play in Round #3 to determine the third place winner.
5. We have no choice but to go to the scorecard and start at the Men's easiest handicap in the event your match ends up in a tie so that we can determine the winner.
6. Round #3 competitions may be asked (because of rain) to play after the last week of the season, but prior to the Closing Tournament (Sep. 22nd).

**Teams that do not make the playoffs or get knocked out, are still encouraged to come and play.**
