OUR FAITH COMMUNITY

From our Priest

Dear Brothers and Sisters:

We are on the seventh Sunday of the Easter Season celebrating the feast of the Ascension of the Lord. In the first reading we learn that Jesus spent forty days with the apostles giving them further instructions, promising the coming of the Holy Spirit and commissioning them to carry on His work. Disciples were curious about the time of restoration of the Kingdom of Israel. But the Lord redirects their attention to be His witnesses to the ends of the earth. This is our mission to bear witness to Christ always.

The second reading states that receiving the Holy Spirit results in knowledge of Christ. But this is not head knowledge, rather it is heart knowledge. Through it, our hearts are opened to a new understanding of key spiritual insights. There are three mentions here, first is the hope that comes from our Christian Vocation.

Second is the glorious riches of our heavenly inheritance. Third is, through the gift of the Holy Spirit, to understand the incalculable greatness of God's power.

The Gospel presents to us the Great Commission of our Lord to His apostles, "Go and make disciples of all nations". This is the important theme where our diocese is reflecting and working on for three years, through Evangelization and Maintenance to Mission. Jesus establishes His sovereign authority by His declaration of power over all of heaven and earth. Then He imparts that power to His apostles and by sending them to make disciples of all nations He opens the good news of salvation to all people. Do we want to become participants in this great mission? What is our contribution towards the transformation of our people?

CSA Update:

As the 2025-26 Catholic Services Appeal continues, we are grateful to the parish families that have already made their gifts. However, St. Mary's is only at 87% of their goal with \$7,500 left to raise. Your donation to the CSA provides:

- Funding to promote vocations to the priesthood and the diaconate
- Support to our Catholic school
- Support for our youth and adult faith formation programs
- Legal guidance to the church and school
- Benefit administration for all employees

If any church had to pay for these services on their own, it would cost a lot more to our parish than the CSA assessment. Any uncollected amounts of our goal become an **expense** to our parishes (right now, our expense would be \$7,000!). To help St. Mary's get closer to our goal, there will be a second collection taken at each Mass at St. Mary's on Memorial Day weekend for the CSA. Thank you and God bless!

From the Parish Nurse

"Leaves of Three Let it Be!" Gardening, landscaping work and outdoor activities puts us facing a formidable enemy - poison oak and poison ivy. Exposure to one of these can cause a hot, itchy rash that can last for weeks. Both of these are native to North America. The plants can pop up anywhere and are beneficial to some birds (berries), bees (flower nectar) and animals (shelter).

The plant's venom is known as urushiol, an oil found in the roots, stems, leaves, and flowers. When any part of the plant is bruised or broken the oil is released. Coming in contact with the oil directly or off clothing and pets or smoke inhalation can cause the blistering rash to those allergic to it. The best defense is to learn to identify and avoid the plant. The maxim "leaves of three let it be", refers to a grouping of three leaves connected to a common stem. Also look for black spots on the leaves indicating the urushiol leaking out. To get rid of them, using gloves pull out while plant is still small, never hack into the plant and never burn them. For bigger jobs use a weed killer (with glyphosate only), let it decompose completely, then bury it deeply but don't dispose of in a compost pile.

Be safe and very careful to wear long sleeves, pants and gloves when working to rid the area of poison ivy or oak. Cleanup and wash all tools used, your clothing, and yourself. Remember that oil clings to everything it touches. OR: you can just stand back and enjoy the beauty of nature, finding a way to coexist peacefully with them.

God bless, May is such a beautiful, flower-filled time! ~ Ann Jelinek RN, PN

"The Lord says to us, 'Do not fear: I am with you' (Isaiah 41:10). He speaks these words not as one who merely observes our pain, but as one who experienced immense suffering. And the very wounds that bear witness to his suffering indicate the essence of our identity and worth: we are loved by God. Reflecting on the healed wounds of the Risen Christ, we see that even our most difficult trials can be the place where God manifests his victory. He makes all things beautiful. He makes all things new." *USCCB Secretariat of Pro-Life Activities, "Be Not Afraid" NABRE © 2010 CCD. Used with permission.*
