# OUR FAITH COMMUNITY

## From the Pastor

### HAPPY NEW YEAR 2021

Think of all the blessings that you have received from the Lord and THANK Him for the year 2020 and welcome the **New Year – 2021, with new hope, invoking the blessings of the Lord.** Whenever you think of yourself, think of others. When you are making others happy, you are making yourself happy and pleasing God. Remember you are a child of God so be proud of it. No matter what comes, believe it is the Lord who is allowing that to you and you must succeed in conquering those daily challenges in order to grow. Do His Will and nothing can hurt you. You are safe and secure in the hands of God. **“The Lord is my shepherd, there is nothing I shall want” (Psalm: 23).**

In this New Year, have a strong and sincere desire to change your attitude for good. Cultivate the right conduct and good habits that lead to **freedom.** Bad habits are the worst enemies you can have. You are punished by these bad habits. Every day should be a transition from bad habits to good habits. Stay away from those things that stimulate bad habits. Do not test yourself with temptations. When you can say, **“I don’t indulge in bad habits because they are against my interests; I choose goodness of my own freewill”**, that is freedom. **Willpower** is easy to develop. It is

within our reach. If you want, you can experience it. Try first for small accomplishments. Gradually you will get rid of tendencies you thought you could not overcome.

Develop the habit of self-examination of watching and analyzing your thoughts and behavior. When there are some signs of bad habits or inclinations, that is the time to discriminate and resist with willpower. All you have to do is to think away the thoughts you wanted to destroy by replacing them with constructive thoughts. This is the key to heaven; it is in your hands. Develop your **willpower and positive thinking** and you will find your body, mind and soul working to mold everything in your life according to your will. Your fulfillment lies not in obtaining the objects of your carnal desires, but in the unfoldment of your soul qualities in making the efforts to succeed in worthwhile endeavors. Never give up or get discouraged when you fail. Try again and again and you will get it. The weak should seek the company of those who are stronger for help – a mentor.

Happy New Year and God’s blessings on you and your families.

Fr. Louis Maram Reddy

When Jesus was born in Bethlehem of Judea, in the days of King Herod, behold, magi from the east arrived in Jerusalem, saying, “Where is the newborn king of the Jews? We saw his star at its rising and have come to do him homage.” - Mt 2:1-2

## Liturgy & Music Notes from Jan

There are some remaining books by Matthew Kelly (his previous books have been gifted in previous years, and they're an easy and comfortable read), at the church exits, and we also have a few Christmas angel gifts for children. You are welcome to take them, compliments of the parish, until they are gone.

Today we celebrate the great Solemnity of the Epiphany—the astonishing mystery of God's manifestation to the ends of the earth. All people are meant to know the glory of God, and if those to whom the birth of Jesus was made known could overcome great obstacles, it gives us great hope that we can, as well. The Epiphany, a feast of great light, happens in the coldest, darkest time of our winter, but the Lord calls us to new life, by the light of a star. Happy New Year to all!

## Answering the Call of Christ to Help Wake Up the World!

Do you wonder if you are called to become a sister, brother or priest? Have you felt an inner urging inviting you to delve deeper into the idea of religious life? It can seem overwhelming and difficult to know where to begin your discovery. Learn more about what religious life means today. We will provide details on who religious are, what they do, and how this life is evolving. This is a great online opportunity to learn at home without requiring any commitment. We will honor the privacy of all participants. This presentation will take place online on January 15 & 16, 2021 through Marywood Spirituality Center. Presenters: Franciscan Sisters of Perpetual Adoration, Marla Lang and Meg Earsley. Please register by Friday, January 8 at [www.marywoodsc.org](http://www.marywoodsc.org) or 715-385-3750. Freewill offerings are appreciated.

## Reflection

### The Epiphany of the Lord

"Where is that thing?" mumbled Bob as he searched frantically on his dimly lit desk for the current electric bill. "I know I put it right on top of these papers this morning!" Growing in frustration and bordering on anger, he flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, "Maybe it would help if you put the light on, dear." The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life, relationships, happiness, and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

"And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was." The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God's tender wedded relationship with humanity. It speaks to the expanse of God's salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. We have a lot of Good News to share, not just with a privileged few but with all the world. All races and creeds can receive God's healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!

## Happy New Year

The staff and students at St. Mary's School wish all of you a very Happy New Year. We hope it is filled with abundant blessings, good health and the love of family and friends.

### Registration

It's hard to believe, but it is already time to start planning for next school year! Registration will open next week. These are the enrollment periods for the 2021-2022 school year:

- January 18 – Registration for current families
- January 31 – Registration for all parish cluster families
- February 15 – Open enrollment begins

Current families who register by Friday, February 12 will receive 50% off their registration fee. We anticipate large numbers in our Preschool, 4K, and Kindergarten classes. We encourage interested families to register early.

### Enjoying the Christmas Season

Before we left for break our students enjoyed learning about Advent and how we await Jesus's arrival. When we return to classes this week, we will watch the Wise Men travel around the school and arrive at our stable on January 6.

### From the Parish Nurse

Okay, the New Year is here and so is winter; time to settle in, stay warm and continue to stay safe. However, too much 'laying around' in front of the fireplace is not the healthiest for any of us, plus remember those New Year's resolutions.

Exercise can stave off the depression that creeps up on us this time of year with the shorter days, cold, lack of sun, and stress that persist with the pandemic. Exercise helps to release 'good mood' hormones. It prevents memory loss and dementia as you age as well as reducing anxiety. It also improves other health issues.

Walking outside at this time of year can open a whole new sense of God's creation. The cool, brisk air makes walking easier (no sweating). It is a challenge though unless you invest in Yak-tracks to improve traction. Make it fun, get the whole family or a friend involved, set a goal and chart your workout.

If your workout isn't as enthusiastic as it was, you are in a rut. Change it up. Make it even more fun and challenging. A fun challenge is to choose a city or country you would like to visit and plan a 'virtual trip'. During the week keep track of how far you have traveled in your exercise (walk, swim, ski, etc.) and then mark this with a pin on a large map, moving toward your goal city. If you have children walking with you, they can learn about the city, its foods, points of interest, history, and plants and animals native to the city. If grandchildren, perhaps you both can keep a chart and see where you'd meet along the way to each other's home. When your trip takes you across the ocean and your pin ends up in the middle of the ocean, read about ocean dwelling animals or a famous sailing trip. If you can only walk a little bit each week, like 2 miles, then have one of your miles equal twenty miles.

Enjoy your 'outing', stay well and blessings for 2021.

God Bless,  
Ann Jelinek RN, PN

Please Note: No yoga yet this week, see you all on January 11, 2021 (I hope).

Igniting Faith in Catholic Youth

## In Search of Young Adults!

SPIRITUS is seeking Catholic young adults, 21-29 years of age, to join the SPIRITUS missionary team this August. SPIRITUS ignites the faith in thousands of young Catholics through retreats and parish youth ministry each year!

Missionaries live in community and travel to parishes and schools throughout Wisconsin; they receive training, formation, spiritual direction, lodging, food, a monthly allowance, health insurance, and a \$2,000 stipend upon completion of the 9 month program. It is a unique opportunity to serve our Lord and help young Catholics grow in faith. Visit [www.spiritusministries.org/beamissionary](http://www.spiritusministries.org/beamissionary), contact Rachel at [recruiter@spiritusministries.org](mailto:recruiter@spiritusministries.org) or (920) 722-8918 x113 for more information.
