10:00 - 10:45 am  
**"Nurturing Yourself Back to Life"**  
- Neha Hinebaugh -

Join Neha on a journey of embracing the self with honesty & love. We build the foundation for a life of wholeness & authenticity by learning to trust & believe in ourselves again. Being used to an inner environment from childhood traumas, conditioning & projections of others, we are often unaware of our relationship with ourselves & emotional patterns that drive us. We live in survival mode, rather than from our heart, our authentic self. Come back to life, allow your soul's evolution. Neha found within herself the ability to face & heal deep traumas & developed tools that continue to help her overcome self-destructive beliefs. Neha, being highly intuitive & connected with the Divine Mother, provides the nurturing, compassionate & restorative space for others to meet themselves with love & acceptance.

Together, we will focus on three of the ways for eliciting past life memories: music, historical time periods, and historical clothing. These are potent triggers, igniting dormant memories.
