HOCKEY STRENGTH

Locker Room Deodorizer

Formulated by the Hockey Board Doctor for all Arena Operators. Hockey Strength is a special blend of enzyme producing bacterial cultures and biodegradable surfactants. This formula is extremely effective in odor control and degrading organic waste. Use in all aspects of your arena to ensure freshness. Let Hockey Strong free your locker rooms from the awful urine and body odor smells!

Locker Rooms, Restrooms, Gyms, and Lobby Areas: Mix 4 ounces of

HS

per gallon of water. Spray down all surfaces and surrounding areas. Use daily until the area is completely deodorized. Use as needed to maintain freshness. For urinals and toilet bowls, spray surfaces and surrounding areas.

Equipment, Equipment Bags, Jerseys, Upholstery/Carpet: Mix 4

ounc-

es of HS per gallon of water. Mist items to remove odor. Repeat this process as needed to maintain freshness.

Snow Melt Pit: Pending capacity, pour 4 - 10 oz of HS daily into pit to maintain freshness.

Snack Shack/Bar: Mix 4 ounces of HS per gallon of water. Soak soda spouts, beverage guns, and liquor portion spouts for several minutes to eliminate sugar, fruit, and alcohol residue. Rinse with potable water before reuse. Spray around trash cans, dumpsters, and other areas where odors are an issue. The Dr. also recommends soaking mop heads in the solution after mopping up floors to ensure freshness.

Hockey Strong is what the Doctor prescribes and uses himself!

This chemical does not meet the hazardous criteria set forth by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200). Handle in accordance with good industrial hygiene and safety practice. Do not handle until all safety precautions have been read and understood.

Precautionary Statements
Prevention:

Do not breathe mist or spray. Avoid contact with eyes. Do not ingest. Keep out of reach of children.

Response:

IF IN EYES: Rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician if irritation persists.

IF ON SKIN: Rinse skin with water/shower if irritation occurs.

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. Do NOT induce vomiting.

Storage: Store locked up.

Disposal: Dispose of contents/container in an approved waste disposal plant.
