Schoolhouse Dedication

May 1, 2022

On March 26, 2020, the congregation of Ridge Valley United Church of Christ was given a very generous sum of money from an anonymous, philanthropic donor to be used exclusively for the renovation of our 1883 schoolhouse. This beneficence was an answer to our prayers seeking a way forward to rehabilitate this historic building. It was and is our desire to use this schoolhouse as a place to come together in the Lord's name and enrich the worship life of our congregation and the community. We profess our deepest gratitude to our benefactors and ask God to bless them for their kindness and generosity.

In addition to the building block of funds mentioned above, we want to thank the following individuals or companies that have donated all or a portion of their professional expertise, time, materials or services in kind toward the renovation of our schoolhouse:
