Bridge Street Social loves hospitality, and we're happy to share this passion with you. Our team takes pride in its efforts to continually evolve in food and drink, to ultimately deliver a fulfilling and fun dining experience. Food is our engine. Wine is our passion. Classic cocktails bring smiles. Our choices are plenty, and there's always something for someone.

French wine. Italian wine. Spanish wine. German, Australian, Slovenian, South African, Lebanese, Californian, and so much more. Our wine list is the window to our heart, all thoughtfully chosen by our sommeliers. Everything is kept at an optimal stable temperature in our wall coolers, with hidden gems tucked-away in our cellar. Let's have a conversation about what you like (and don't like), as we always enjoy making recommendations.

Who doesn't love a craft cocktail? As seasons change, so do our custom offerings. Looking for a classic? We've got you covered. If it's shaken, stirred, or served neat, we've got your drink.

The Midwest beckons beer & cider. Many of our selections derive from breweries a stone's-throw away, with a proud Michigan focus, (and something Belgian inspired in the cooler). Your pint is our passion.

Thank you for allowing us the pleasure to serve your tastes.
