

CTX ADVISORY GROUP

BASIC SHIELD

Instructors: Tandy Perkins and William Jackman

Course Description:

The CTXAG Basic Shield course is a one-day period of instruction developed for patrol officers, school resource officers, and any other LE personnel seeking to improve or build upon their shield tactics. Students will be introduced to a variety of concepts including basic shield nomenclature/familiarity, carry positions, shooting with a shield, moving with a shield, and structure clearing/building search with a shield.

No prior shield training is required.

Student Gear List:

Department issued shield (if feasible), Soft body armor, Duty Belt, Duty Pistol, 100 rounds of ammunition, 3 Magazines, Eye Pro, Ear Pro, Role Player clothing/protective gear suitable for force-on-force training (masks available on site), Simunition Pistol w/ 50 Simunition Rounds

Note: UTM Pistol and ammo is available at training site for \$40 rental fee paid directly to Range 35

Wet Weather Gear

Water/Snacks/Food

Note: There will be no lunch break, but there will be adequate time to eat between blocks of training

Registration:

\$225 per student
