

Party Policies

The Edge Homewood is your place to celebrate! Parties of all kinds are welcome here. Whether you are hosting a team-building event for your company, planning a birthday with friends, or celebrating your sports team's amazing season; we are so excited to celebrate along with you!

We have a variety of different food and beverage vendors at The Edge that are happy to provide anything you need for your event! We do not allow for any outside food or beverage to be brought onto the property at any time. If you would like for an event coordinator to assist with the catering logistics of your event, please let us know!

Please check our event calendar on our website to ensure there are no conflicts with your event date and/or time. If you have questions about any of the events on the calendar, please let us know!
