JOB POSTING: FIELD SURVEY AND DRONE TECHNICIAN OCTOBER 2025

Field Technician

Anderson Bogert is seeking qualified applicants for a **full-time Field Survey and Drone Technician**. Anderson Bogert is a civil engineering and surveying firm with an emphasis in transportation, municipal, sanitary, storm sewer, and residential and commercial site development. Our firm is committed to providing professional and relationship-based engineering and surveying services to a variety of clients throughout eastern Iowa.

The **Field Survey and Drone Technician** will be based out of the Cedar Rapids office and will perform field duties, as directed by the Field Supervisor.

Skills Necessary

- Exercise sound judgment
- Ability to work independently

Minimum Qualifications

- High school diploma or equivalent
- Basic computer and documentation skills (Microsoft Office, Internet)
- Valid Iowa driver's license, and insurability approval by Anderson Bogert's insurance provider
- Ability to Learn

Preferred Qualifications

- Associate Degree in Civil Engineering Technology, or related field experience, from an accredited post-secondary institution
- Three years of relevant field surveying, construction staking, and/or mapping experience
- Familiarity with Robotic Total Stations and GPS
- Ability to demonstrate knowledge of CADD utilizing AutoCAD Civil 3D
- Ability or experience with drones in field survey application

We offer standard business work hours; company-sponsored employee events; extensive, on-the-job training; educational opportunities; paid time off; paid holidays; health and life insurance; a retirement plan; and an open-door policy to encourage employee feedback. Our working environment features a close-knit team that works hard, but also likes to have fun.

An Equal Opportunity Employer.
