With a Grateful Heart!...

Dear Church Family, I am deeply grateful for the prayers, cards & beautiful flowers during my recent "crazy heart" episode. Your prayers are treasured as I walk this new, more complicated road—Of course we trust the Great Physician to continue the healing the doctors began -  
Much Love, Kathleen Rambo

In our world of internet connections through social media outlets like Facebook, Facebook Messenger, etc., identity concerns crop up. If you receive a request from someone within the church for financial help or assistance, please refer them to Pastor Mark.

You can call the church office or  
Pastor Mark's cell phone, 360-970-0218. Thank you.
