Building Bridges Across Cultures Workshop

Date: November 16 2024

Time: 10am-12pm & 1pm-3pm, PST

Location: Zoom

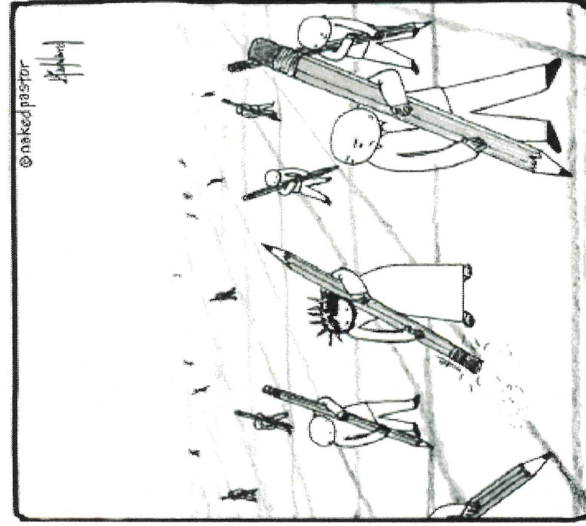

Intended Participants: People of Euro descent

Instructors and Facilitators: Rev. Doug Avilesbernal and members of the Euro Caucus Anti-Racism Team

Purpose: To learn and understand skills necessary for building mutually respectful relationships with those of other cultures within the U.S., especially with those in the Black, Hispanic, and Asian Evergreen Caucuses.

Workshop Content: (4 hours)

1. Who We Are as Cultural Beings: We are on a spiritual journey through a broken world. It takes skill to see others and be seen clearly.
2. What cultural “glasses” cause us to see and not see. How might we expand the frame of those cultural “glasses?”
3. Learning to be culturally aware and sensitive. How might we sort through the need to generalize without being trapped in our stereotypes of others and ourselves?
4. Building the Beloved Community through resistance and allyship. How can discovery/recovery from our own racial/cultural bias and build alliances with those who are mistreated
