## LIFE TOOLS

### **Singles:**

This week focus on your walk with the Lord. Are you joining the Lord on His path, or have you been asking him to walk your path? We all have blind spots in our walk that we cannot identify on our own. Meet with a trusted friend or mentor for coffee to discuss your desire to walk with Lord. Ask them ahead of time to pray through and identify areas in your life where you can begin to do one step better in your walk with the Lord. Spend time in prayer with them and thank the Lord that he has blessed you with their friendship.

### **Couples:**

God created man and woman to be united together in one flesh through marriage. A healthy relationship is one that focuses on walking with each other through life. When a marriage is unhealthy you will find spouses walking ahead, dragging behind, or taking their own path. Take a walk with your spouse this week and read Ephesians 5:21-33 together. Discuss how this passage describes how your lives should walk together. How can your marriage focus on walking with the Lord? What's one thing each of you can do to bring your relationship into step with the Lord?

### **Parents of Preschoolers:**

Take a walk with your children. Play "Follow the Leader" with your child and ask them to follow your movements (offer a prize for following well). Talk about how, just like you asked them to follow your movements, God also asks all of us to follow His movements & to walk with Him.

### **Life Tool for Parents of K-3:**

Take a walk with your children. Play "Follow the Leader" with your child (offer a prize for following directions well). Have your child walk in front of you, behind you, and by your side and tell them to follow your movements. Ask them what it was like when they were trying to walk in front of you, behind you, and beside you. Talk about how just like you asked them to follow your movements, God also asks all of us to follow His movements, and how we can't do that well when we're trying to walk in front of God & we need to walk with Him.
