BCMA Phlebotomy Technician Program is 8 weeks, (80) hours program. Students who successfully complete our 8 weeks Phlebotomy Technician program will be awarded a Certificate of Completion and will be eligible to take the national Certified Phlebotomy Technician (CPT) exam offered by NHA. Students will test for national certification at our main location in Southaven, MS by appointment after meeting all program requirements.

Prospective students who are interested in attending program may contact our main office at 662-253-8543. Also, we can be contacted by email at enrollment@bluecaremedicalacademy.com or web @ www.bluecaremedicalacademy.com.
