HAPPY 4TH OF JULY

YOUR CHURCH

DR. DAVID JEREMIAH

He went through Syria and Cilicia, strengthening the Churches. Acts 15:41

Dr. David Jeremiah states that to bloom where we're planted, we need to be the best version of who we are wherever we are and that includes the Church we attend. the Apostle Paul was intent on strengthening the Church you attend? Below are ways we can do this.

- We strengthen the Church when we attend regularly, as often as possible.
- We strengthen the Church when we're warm and supportive in our attitude toward all the other members and toward the leaders.
- We strengthen the Church when we volunteer for those Church-related ministries the Lord puts on our hearts.
- We strengthen the Church when we volunteer for our congregation and provide financial support.

When Jesus returned to heaven, He only ordained one organization to continue his work on earth: His Church. How wonderful we can do as Paul did, going around strengthening the Church.

"Christians cannot grow spiritually as they ought to in isolation from one another."

- Gene Getz
