Celebrating God's Servant

Missionary/Trustee Jerry Harris

On this "Father's Day "we would like to celebrate brother Harris for being a great role model for fathers. He is a true servant of the Lord. Brother Harris has a reputation of devotion and resourcefulness in his family and church. Trustee Harris is now the only male in the Trustee Ministry and is called on for so many things that is not his job to do. He says that as long as God gives him strength, he will do the best he can.

His son Trey stated that he is honest, reliable, hardworking and detail-oriented and super dependable. No son could ask for a better man to call father and he is very devoted to my mom.

Katrina stated that before he married Juanessa her dad was raising two girls by himself which wasn't the easiest task. Not once did we ever hear our father complain. Katrina said that her dad believed in her and when she needed help with reading and math, he got a tutor to help even though money was tight. My dad taught us to have self-worth and not depend on anyone. It's comforting to know that God chose Jerry Harris to be my father because God knew just what I and his grandchildren would need. Dad you are my super hero. Yes! I tell my daughter the same things you use to tell me as a teenager.

The greatest gift I ever had came from God. I call him dad says his daughter Tracy. He was and still is in my corner even when I can't see or understand it. Tracy says thanks dad for guiding me in the right direction while praying for me asking God to help to keep me on my journey call life. My dad, taught me how to be a queen and I am sowing those same principles in my three beautiful daughters.

His wife Juanessa wants to honor her husband on this Father's Day for being the man God called him to be today. He is a man who tries his very best to live according to God's principles. She says I thank God for sending Jerry Harris into my son and my life. We formed a blended family with his two girls and my son. My husband makes me feel like a queen. God has blessed us in so many ways to honor, respect and truly love each other.

Trey states that there are some who say they are Christians but my dad Jerry lets his life do the talking. When life has thrown curves in his path, he courageously responded with poise and grace leaning upon his faith in Jesus. Missionary/Trustee Jerry Harris, we celebrate you and thank you so much for show young father's what it really takes to raise a family. May God continue to bless and keep you.
