# Questions About Your Immigration Status

PAGE 06

01

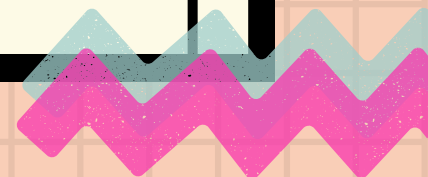

You have the right to remain silent. You do not have to answer questions about where you were born, whether you're a U.S. citizen, or how you entered the country.

02

If you are not a U.S. citizen and have valid immigration papers, you should show them if an immigration agent requests it.

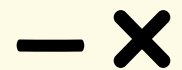

03

Do not lie about your citizenship status or provide fake documents.

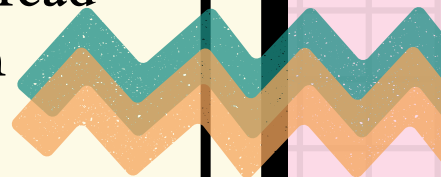

# If You're Arrested By Police

- Do not resist.
- Say you wish to remain silet and ask for a lawyer. The government must provide one if you cant afford one.
- You have rights to make a local phone call. The police cannot listen if you call a lawyer.
- Do not talk about your immigration status with anyone but your lawyer.
- Do not answer or sign anything without speaking to a lawyer.
- Read all papers fully. If you do not understand or cannot read the paper, say you need an interpreter.

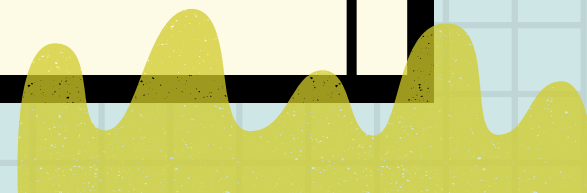

# If You're Taken Into ICE Custody

PAGE 08

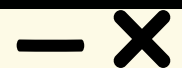

- You have the right to a lawyer, but the government will not provide one. If you need one ask for a list of low-cost legal services.
- You have the right to contact or have police contact your consulate to inform them of your arrest.
- Do not sign anything without talking to your lawyer. If you sign something, you may be giving up your opportunity to try to stay in the U.S.
- Know your immigration number and give it to your family. It will help them locate you.
