

*Thank  
You*

*A thank you letter from the Little Brothers of Ste. Thérèse.*

*“Dear Parishioners of Immaculate Heart of Mary,*

*The Congregation of the Little Brothers of Ste. Thérèse greet you in Christ’s name, and thank you for the financial support given to our Congregation to help the Haitian poor through Fr. Bill’s intermediation. We thank you for the aid given on the occasion of Fr. Bill’s 40<sup>th</sup> Anniversary. This aid will enable us to help the poorest of the poor women, children and adults, on the level of agriculture, first aid training after natural disasters, etc. Thanks to your generosity the mission of the Little Brothers of Ste. Thérèse to the poor becomes more and more significant.*

*In turn, we have nothing to offer but our prayers on your behalf. However, your generosity and your act of solidarity will stir up those prayers from us for you. We wish you ongoing Easter blessings.*

*May the presence of our Risen Lord abide with you and accompany you always.*

*Brother Lozana Jean Jeune*

*Father Bill’s postscript:*

*For anyone who is interested in giving ongoing support to the Little Brothers, we hope to have a charitable program up and running in the not too distant future.*
