GOOD NEWS FOR IHM PARISH!

Bishop Crosby sent a directive allowing for outdoor Masses starting on **MONDAY, JUNE 14** for Sundays and for weekdays. There are no attendance limits, as long as we observe regulation for physical distancing and mask wearing (but see the note in this Sunday's bulletin regarding mask-wearing). **PLEASE BRING YOUR OWN CHAIRS** for you and all your family. In next week's bulletin we will inform you as to the times of masses and where on our beautiful grounds our masses will be held. It will be good for us to get together again!

DEAR PARISHIONERS, When we are allowed to celebrate our Sunday masses in person again, there will probably still be an expectation that masks should be worn. I remind you that Bishop Crosby has made allowances for people at our Sunday masses who can't wear masks. He has said they are to sit in a designated area and communion will be brought to them.

WE AT IMMACULATE HEART OF MARY PARISH have been blessed with the 8 month-long visit of 10 young evangelists, also known as the NET team. Through the long dark winter our "Netters" were a lamp in the darkness, bringing the radiance of their presence and their enthusiasm to the parishioners both young and old who were able to interact with them in spite of the multiple lockdowns. The NET team members gave us a precious year from their young lives; I rejoice in the certainty that such great generosity on their part will not go unrewarded on the part of our God who will not be outdone in generosity.

As you, Mirjam, Yohan, Miriam, Peter, Kyle, Pierre, Marinna, Abbygail, Emily Rose and Amber leave our parish and follow new paths of discipleship, you go with the blessing of the parishioners of IHM Parish upon you.

THANK YOU NOTE FROM OUR NET TEAM LEADERSHIP:

DEAR FR. BILL & IHM PARISHIONERS, *Thank you so much for allowing our ministry to collaborate with your beautiful parish this past year. It has been such an honour and privilege to work with you and the young people of your flock. Thank you for investing into youth ministry in your parish and for all the support you have given the team. It has been a true joy to serve at Immaculate Heart of Mary Parish and we are so grateful for you and all your hard work and faithful support. Thanks for everything! From all of us at NET CANADA, Miriam Welling*

THANK YOU TO OUR PARISHIONERS who supported our NET Team in anyway (prayers, friendships, meals, monetary donations) while they stayed with us.

We have the true heart of the Immaculate Heart of Mary.

STARTING JUNE 20 on—site Masses will be permitted once again . The Sunday, June 13th Mass will be the last online Mass.

SOCIAL ACTION COMMITTEE—The

DeMazenod Farm is now up and running and will provide fresh naturally grown vegetables (no pesticides) at harvest time to the poor and marginalized who come to The Door. In addition, The Farm will share fresh

produce with families of students at Cathedral HS as well as Hamilton agencies such as The Good Shepherd, Hamilton Food Share and others. Chickens on The Farm will provide eggs to the DeMazenod Door kitchen so guests can have "Egg in a Basket" twice a week. A benefactor also gave The Farm 5,000 bees and will tend and manage these so we can provide Honey, Wax and Jelly to be sold as a fund raiser for The Farm. The Farm will also provide a place where volunteers and the poor and marginalized can work and give back to the community in a meaningful way. There is a Peace Garden at The Farm where people can be outside and pray in silence and peace surrounded by nature. The Farm is a natural extension to the mission of DeMazenod Door Outreach.

At our parish, who are great supporters of DeMazenod Door and feeding those who come to The Door, we are hoping to reopen our parish kitchen in September (assuming the government health guidelines are lifted) to once again provide delicious home cooked meals for The Door. In the meantime, we are grateful to Genuine Bakery for stepping in and providing the meals on our behalf. This is only possible through the generosity of our parishioners for which we are extremely thankful and wish many of God's Blessings upon each one of you.

PARENTING TIP OF THE MONTH - Parenting Tip 130: COVID-19 continues to dominate and control much of our lives. All of this affects children, but since they take their cues from adults in their lives, we can help them to feel resilient. Remind them of how happy you are, despite all that is happening that you are together as a family. Remind them of the beauty of nature that is all around for them to see and enjoy, that technology lets them connect with other family and friends and that through all of this we can continue to pray and ask for God's blessings. When they hear anger and frustration, they feel worry and concern; when they hear optimism and calm, they too feel those emotions as well. Let us remind our children how much we love them; help keep them strong during the pandemic.

MARRIAGE TIP OF THE MONTH - Marriage Tip 110: Listening may be the most important aspect of any relationship, but it is also the hardest part for us to get right! Listening requires our full attention, not just to the words spoken, but also to the emotions attached. Doing so allows us to understand how our spouse is feeling and, if we listen attentively, to repeat back what we are hearing. When we do this without first making a defensive reply, issues get resolved and our spouse feels supported. Then we can reverse roles, expressing our thoughts and feelings on the issue, as our spouse becomes the listener. Happy couples work on these skills until they become second nature, thus keeping their relationship bond strong.
