

Insurance Benefit Script Please complete prior to starting services. Please call the customer service number on the back of your insurance card and ask the following questions to determine if nutrition counseling services are covered by your plan.

It is the client's responsibility to contact their insurance company prior to starting services to verify benefits & eligibility and to inquire about potential out-of-pocket cost.

Alo Nutrition does not verify insurance benefits & eligibility. You may elect to skip this form and not check your benefits & eligibility. If services are not covered by your insurance, you will be responsible for the full cost of the session per the rates in the billing agreement.

I hereby agree to the document above.
