

18 September 2020

Dear Parent/Carer

**Dropping Off and Collecting of Children**

In light of the latest headlines and maintaining social distancing, anybody over the age of 11, with the exception of school staff, must now wear a mask on school premises as from Monday 21 September. This means that during the dropping off and collection of your child(ren) you will need to wear a mask.

This is precautionary only, we have no confirmed Covid-19 cases, and this would be another reassuring step for everyone in order to try and keep it this way. Be assured that we will continue to take all appropriate actions and will inform you should anything arise.

Can we all please continue to do what we can to keep us all safe. Your co-operation is appreciated.

Yours sincerely

*A Roberts*
