

Be the best you can be

27 January 2022

Dear Parent/Carer

**Times Tables Rock Stars / NumBots Day - Friday 11 February**

On Friday 11 February we are celebrating our involvement with the online interactive maths games by having a themed day of maths activities.

Children in Year 2 and above can come dressed as rock stars and wear something as simple as jeans and a t-shirt or, as some of our pupils have done in the past, rock it out with temporary hairstyles and a rock outfit. Children in EYFS and Year 1 could come to school in non-uniform and maybe make a costume with numbers on it or a robot costume.

Please note that it is entirely optional for your child to dress up and they can attend in non-uniform if wished. It is meant to be a fun day, which celebrates the maths program so please do not feel the need to spend money on shop bought costumes. Homemade is always best.

We will be running a competition across the two Trust schools in the week following this day and would like you to encourage your child to complete ten minutes a day playing Times Table Rock Stars / NumBots where possible.

Yours sincerely
