Dear Parent/Carer

Reception to Year 6 Virtual Reading

We are offering virtual reading clubs across the trust this half term. The club will consist of teachers reading chapters/books, which the children can listen to. Your child can join any of the three reading clubs; each club has chosen books relevant to the key stage, but your child can access any they think they would enjoy.

To join, pupils will need to log into their google classroom using their alptust log ins. Once they have logged in they join a new classroom by clicking on the + sign in the top right corner, then type in the code to that reading classroom which is below.

Each week the staff member running that reading club will add either a new book or chapter for your child to listen to. As the club is on google classroom and not live, this will ensure it can be accessed at any time, on any day, suitable for your child/family.

In the coming year we will be looking to add virtual clubs in a range of topics and subjects to enhance our extensive extracurricular programme across the trust to help ensure pupils can access extracurricular provision outside of school.

Please find below the codes to access the reading clubs:

Reception, Y1 & Y2 - code is **xmtqpss**

Years 3 & 4 - code is **babmbuq**

Years 5 & 6 - code is **myr2yfr**

If you have any queries, please contact the school office.

Yours sincerely

K McDougall
