Dear Parent / Carer

**Jubilee Celebrations**

On Friday 27 May, the Ashington Learning Partnership schools will be celebrating the Queen's Platinum Jubilee. The children are invited to wear non-school uniform and, if they would like to, they can wear something red, white or blue. The children will be having afternoon tea for lunch and learning all about the Queen's reign before taking part in a Trust sing-along.

If your child is usually on packed lunch but would like to have a school lunch on this day, please complete and return the slip below. Please note that Nursery children are invited to wear non uniform but their normal dinner routine applies.

Yours sincerely
