Dear Parents and Carers

Central Primary School – Reopening to all pupils on the 8th March

Following Boris Johnson’s announcement, we are so pleased to be reopening the doors of Central Primary school to all pupils on the 8th March. Details of reopening plans can be found below.

Week Commencing 22nd February

- Watch out for class teachers sharing a link to a live session on Google classroom. This is a chance for children to catch up with their class before they return. Session one will take place this week.

Week Commencing 1st March

- Live class catch up session two will take place this week.
- This week’s online learning will include literacy, numeracy and science with opportunities to take part in World Book Week activities in the afternoon. Children do not have to complete work for any other subjects. Seesaw activities will continue as normal.
- We would really like to have a quick catch-up call with parents before children return to school. This is just an opportunity to speak to your child’s teacher about your family lockdown experiences and ensure that you have chance to pass on any important information. Details of how to book a call can be found below.
